

CAIRNGORMS NATURE STRATEGY GROUP

The Cairngorms Nature Strategy Group is a grouping of professionals from a range of organisations with an active role in the delivery of biodiversity gain in the Cairngorms National Park. They come together to provide guidance to, and collectively oversee the implementation of, the Cairngorms Nature Action Plan and the wider Cairngorms Nature partnership.

The objectives and functions of Cairngorms Nature Strategy Group are:

- To provide strategic leadership of Cairngorms Nature to make a measurable difference to biodiversity in the Cairngorms National Park
- To inspire and provide support to individual and community involvement in local conservation projects
- To co-ordinate and maintain an overview of progress in biodiversity management across the whole National Park

The strategy group consists of representatives from the following agencies and organisations:

- Cairngorms National Park Authority
- Dee Fisheries Trust
- Forestry Commission Scotland
- National Farmers Union Scotland
- National Trust for Scotland
- Royal Society for the Protection of Birds
- Scottish Land & Estates
- Scottish Gamekeepers' Association
- Scottish Natural Heritage
- and a Community Development Officer
