Q1 We propose to use the vision and long term outcomes set out in the Cairngorms National Park Partnership Plan as the 'vision statement' for the Local Development Plan. Do you agree with this approach? **Yes**

Q2 Please explain your answer **Respondent skipped this question**

Q3 Do you agree with our conclusions about the changes that need to be made to policies in the existing Local Development Plan? **Yes**

Q4 Do you think any other changes are needed? **Yes**

Q5 Please explain your answer

Yes. Decisions on local areas and communities should be made by just that - locals and communities. CNPA seem to be making their own decisions about what communities "need."

Q49 Do you agree with the proposed objectives? **No**

Q50 Do you agree with the preferred site options? **No**

Q51 Explain your answers here:

You state it could meet the bulk of the housing requirements for many years to come -agreed that Aviemore does require extra housing but this is on a huge scale. One minute you talk about conservation of woodland and then you want to make huge housing estates. Is the CNPA really looking after the best interests of the communities or just lining their own pockets from building companies?

Local Development Plan 2017: Main Policy Issues and Settlements

Q113 Do you agree with the proposed settlement boundary? **No**

Q114 Explain your answers here:

H2 - 25 houses is too many on the land there. Should be a smaller number.

H1 - 72 houses is ridiculous. Roadway is totally unsuitable for more than doubling the amount of traffic; already unsafe for adults/children/animals. Either no more houses there or a much smaller development.

THC066 - understand that this cannot be built upon due to special scientific interest

THC067 - good for a small development - possibly either affordable or self build projects. Why is it not preferred - no reasons listed?

THC068 - suitable for another small development with better road access than Carr Road. Again, why is this not preferred, reasons?

Very hypocritical saying needs of the locals/families, when you cannot guarantee that ONE house will be allocated to anyone local! More than likely the locals who would require housing will not be allocated any (Nethybridge proved a point).

Q208 If you have any other general comments on the topics you think the Local Development Plan 2020 should address, please let us know here:

Let the locals and communities decide what's best for them and their environment -CNPA don't appear to be listening to any of them and over-ruling what the locals actually want!
