Karen Duncan

I love the quiet life but we need basic
services and facilities.

Karen Duncan

Kincraig needs a shop and it has to be accessible.

We need somewhere for our kids to play & grow.

The swing park was better 35 years ago.

If they want to build affordable homes in the field opp the Alvie primary school then we need facilities. For those who can't drive it's so lonely and getting a newspaper is a luxury.
