

WETLAND, WET GRASSLAND AND FRESHWATER
Cairngorms Nature Farm Award

This award recognises farmers and land managers who do their best - within the course of their business - to maintain and enhance the outstanding wildlife in the Cairngorms National Park.

The award is judged by a panel representing both Cairngorms Nature and the farming community, they look for a farm which has had a positive effect on the environment, whether by focused action for priority species or localised habitat management.

Previous winners
