

ANNEX I: STRUCTURE FOR NATIONAL PARK PLAN

Foreword

1. Vision – The Cairngorms National Park in 2030

2. Introduction

- 2.1 Purpose of the National Park Plan
- 2.2 Using the National Park Plan
- 2.3 Development of the National Park Plan
- 2.4 Relationship to Development Planning and Management
- 2.5 Relationship to Other Plans

3. Context

- 3.1 National Parks in Scotland (National Park Designation and Aims)
- 3.2 The Cairngorms National Park (International, National and Regional Context; Special Qualities)
- 3.3 Managing the Park in a Changing Environment (Drivers of Change; An Integrated Approach; Role of the National Park Authority; Building on Experience)

4. Guiding Principles

5. Strategic Objectives

5.1 Conserving and Enhancing the Park

- 5.1.1 Introduction – conserving and enhancing the special qualities
- 5.1.2 Conserving and Enhancing the Natural and Cultural Heritage (landscape; biodiversity; geodiversity; built and historic environment; culture and traditions)
- 5.1.3 Sustainable Use of Resources (energy; water; air)
- 5.1.4 Integrated Land Management (farming and crofting; forest management; moorland management; deer management; fisheries management)

5.2 Living and Working in the Park

- 5.2.1 Introduction – encouraging sustainable development
- 5.2.2 Sustainable Communities
- 5.2.3 Economy and Employment
- 5.2.4 Housing
- 5.2.5 Transport and Communications
- 5.2.6 Waste Management

5.3 Enjoying and Understanding the Park

- 5.3.1 Introduction – enjoying and understanding the special qualities
- 5.3.2 Sustainable Tourism
- 5.3.3 Outdoor Access and Recreation
- 5.3.4 Learning and Understanding

6. Priorities for Action

- 6.1 Conserving and Enhancing Biodiversity and Landscapes
- 6.2 Integrating Public Support for Land Management
- 6.3 Supporting Sustainable Deer Management
- 6.4 Providing High Quality Opportunities for Outdoor Access
- 6.5 Making Tourism and Business More Sustainable
- 6.6 Making Housing More Affordable and Sustainable
- 6.7 Raising Awareness and Understanding of the National Park

7. Implementation

- 7.1 A Partnership Approach
- 7.2 Adding Value to Existing Work
- 7.3 National Park Investment Programme
- 7.4 National Park Research Programme
- 7.5 Role of the National Park Authority in Implementation
- 7.6 Implementation through Other Plans and Strategies
- 7.7 Challenges and Risks

8. Monitoring and Review

- 8.1 Annual Report on the Priorities for Action
- 8.2 Monitoring the State of the Park
- 8.3 Framework for Monitoring and Review

9. Conclusion

- Annex I:** Contributors to the National Park Plan
- Annex II:** IUCN Management Principles for Category V Protected Areas
- Annex III:** Glossary
