

	SITE DETAIL				
Ref	LOCATION and PLANNING AUTHORITY	ROAD VEHICLE USAGE	CAT OF SIGN and Est SIZE (m)	KNOWN STATUS OF APPLICATIONS at 18/04/05	SITE DESIGN INTENTIONS
1*	Drumochter Pass A9 Highland	7,060	A5 2.3 x 0.15	5 x Trunk Roads require a safety barrier, alternative solution to be discussed	Seperation from A9, link granite marker and information point to NCN 7 cycle route. Increase car parking, reduce clutter of road signs, provide sufficient setback of granite marker from road for pedestrian and driver safety
2*	Kinloch Laggan A86 Highland	934	A3 1.5 x 0.15	3 x Trunk Roads require a safety barrier, alternative solution to be discussed	Located on a winding stretch of road, granite marker requires prominent setting with clear foreground, visitor information facilities to expand upon FC facility with woodland walks and waterfall walks.
3	Garva Bridge Highland	75	boulder x 1.0 x 0.6	0.6 <b>Advertisement Consent Approved</b>	Placed on roadside verge
4*	Slochd Summit A9 Highland	7,000	A4 2.0 x 0.15	4 x Trunk Roads require a safety barrier, alternative solution to be discussed	Located on stretch of road with no existing suitable layby, this marker will not be reached by pedestrians and will stand alone amongst moorland grasses without foreground detail. Await plans for A9 2+1 upgrade before decision on visitor information facilities
5*	Carrbridge B9007 Highland	540	A3 1.5 x 0.15	3 x <b>Advertisement Consent Approved</b>	Erected on road verge 3m from edge of Carriageway
6*	Grantown-on-Spey A939 Highland	1,550	A3 1.5 x 0.15	3 x <b>Advertisement Consent Approved</b>	Use granite marker as catalyst to upgrade layby for leisure users, accommodate vehicle turning movements, increase parking and safety, elevate marker and provide an uncluttered foreground
7	Advie B9102 Highland	250	B 1.05 x 1.3 x 0.1	<b>Advertisement Consent Approved</b>	Erected on road verge 3m from edge of Carriageway and 18m from end of bridge parapet
8*	Advie Mains of Dalvey A95 Highland	1,880	A4 2.0 x 0.15	4 x Trunk Roads require a safety barrier, alternative solution to be discussed	Visually separate granite marker from large informal layby behind, improve setting of spoil piles and field entrances, incorporate visitor information panels in a narrow site.
9	Drumin, Moray	50	B 1.05 x 1.3 x 0.1	<b>Advertisement Consent Approved</b>	Considered low priority due to low usage and alternative routes nearby
10	Glenlivet B9136 Moray	235	A3 1.5 x 0.15	3 x <b>Advertisement Consent Approved</b>	Erected on road verge some localised earthwork to broaden top of verge. Contact made with distillery who are planning to renew and potentially move sign, 3 highway authority signs to be amalgamated into one, investigate moving post box to other side of road
11*	Tomnavoulin B9008 Moray	539	A3 1.5 x 0.15	3 x <b>Advertisement Consent Approved</b>	Erected at road verge at large layby, contact with Crown Estate to consider upgrading of layby and future visitor information
12*	Glenkindie A97 Abdnshire	1,000	A3 1.5 x 0.15	3 x <b>Advertisement Consent Approved</b>	Erect above stone wall dyke, localise repair to dyke and removal of derelict fencing
13	Rippachie, Abdnshire	300	B 1.05 x 1.3 x 0.1	<b>Advertisement Consent Approved</b>	Erect on road verge
14	Ordie B9119, Abdnshire	500	B 1.05 x 1.3 x 0.1	<b>Advertisement Consent Approved</b>	Contact with landowner to investigate status of small hut which detracts from view.
15*	Dinnet A93 Abdnshire	4,400	A3 1.5 x 0.15	3 x Planning application not submitted at this time	

	SITE DETAIL				
Ref	LOCATION and PLANNING AUTHORITY	ROAD VEHICLE USAGE	CAT OF SIGN and Est SIZE (m)	KNOWN STATUS OF APPLICATIONS at 18/04/05	SITE DESIGN INTENTIONS
16	Bridge o' Ess B976 Abdnshire	500	<b>B</b> 1.05 x 1.3 x 0.1	<b>Advertisement Consent Approved</b>	Erect on road verge
17	Glen Esk, Angus	391	<b>B</b> 1.05 x 1.3 x 0.1	<b>Advertisement Consent Approved</b>	Erect on road verge
18	Glen Clova E, Angus	86	<b>B</b> 1.05 x 1.3 x 0.1	<b>Advertisement Consent Approved</b>	Erect on road verge, 5m off edge of road after sharp crest to avoid visibility problem for drivers
19	Glen Clova W B955 Angus	285	<b>B</b> 1.05 x 1.3 x 0.1	<b>Advertisement Consent Approved</b>	Erect on road verge at the small crest next to the lone birch tree
20	Glen Prosen Angus	48	<b>B</b> 1.05 x 1.3 x 0.1	<b>Advertisement Consent Approved</b>	Erect on road verge, sundry detritus (rolls of fence wire etc) removed and localised earthworks to form level platform
21	Glen Isla, Angus	89	<b>B</b> 1.05 x 1.3 x 0.1	<b>Advertisement Consent Approved</b>	Erect on road verge
22*	Glen Shee A93 Abdnshire	1,100	<b>A4</b> 4 x 2.0 x 0.15	<b>Advertisement Consent Approved</b>	Granite marker to have a mountainous backdrop rather than the ski buildings, marker lifted above level of road to assist with visual impact and keep it above most of winter snows. Marker to have a natural moorland wrap without obvious slope retaining structure.
23	Drumochter Highland	Cycleway			Incorporated into ref 1
24	Slochd Summit Highland	Cycleway	<b>boulder</b> 0.6 x 1.0 x 0.6	<b>Advertisement Consent Approved</b>	Placed on path verge avoiding worst poached muddy ground
25	Advie, Highland	Speyside Way	<b>boulder</b> 0.6 x 1.0 x 0.6	<b>Advertisement Consent Approved</b>	Placed on path verge avoiding worst poached muddy ground
26	Glenlivet, Moray	Speyside Way	<b>boulder</b> 0.6 x 1.0 x 0.6	<b>Advertisement Consent Approved</b>	Placed on path verge avoiding worst poached muddy ground
