

CAIRNGORMS LOCAL OUTDOOR ACCESS FORUM

- Title:** Team Budget and Priorities
- Prepared by:** David Clyne, Recreation and Access Manager
- Purpose:** This paper provides an update on the CNPA access development and budget priorities for 2014-15.

Advice Sought

1. Members are asked to note the CNPA outdoor access development priorities for 2014-2015.

Development priorities for 2014-15

2. Deliver a new outdoor access strategy for the Cairngorms National Park: *Active Cairngorms*.
3. Speyside Way extension:
 - a. Construct route from Aviemore to Speybank (in partnership with COAT).
 - b. Prepare a project delivery plan for extending the route to Newtonmore.
4. Deliver an improvement plan for existing Speyside Way.
5. The CNPA will continue to assert, protect and promote outdoor access (as per legislative requirements).

Budget

6. The CNPA budget for access development is tightly restrained for 2014-15.
7. It is unlikely that funds will be available for additional partnership projects this year.
