Title: National Park Plan Consultation Response

Prepared by: Douglas Stewart, Outdoor Access Officer

Purpose: To set out the purpose of the LOAF response to the NPPP consultation

For information

1. The National Park Partnership Plan is required under section 11 of the National Parks (Scotland) Act 2000. The Cairngorms NPPP will set out how all those with a responsibility for the National Park will co-ordinate their work to tackle the most important issues. It will function over the period 2017 – 2022.
2. The following three issues are to be considered by the LOAF in responding to the formal consultation:
 - a) Issue 4 – Visitor Infrastructure and Information
 - b) Issue 5 – Active Cairngorms
 - c) Issue 6 – Learning and Inclusion
3. Members should consider information contained within the main NPPP Consultation Document and particularly the relevant Issues Reports.
4. Members are reminded that the current 'Active Cairngorms' strategy has already been subject to consultation and adoption by the LOAF.
5. The response should be prepared in line with the format set out in the Consultation Response Form.
