re: construction of new Council Office

Kingussie

and use of adjacent car-park

PLANNING & DEVELOPMENT SERVICE
DATE RECEIVED:
28 NOV 2013

Blumy 1,

King Street

Kingussie PH21 1HP.

28. 11. 2013.

Dear Sir,

I wish to inform you that we all need a safe footpath from our mutual Car Park to King Street.

I hope that as the works get underway and as, in due course, the new offices are operational, clarity will be put into the right of way and access to the parking area shared by the Council Offices, Star Hotel and ourselves as local residents.

I refer specifically to an 8-foot Legal Right of Access pathway that

should be respected alongside our flats, bordering the frontage of the fire station, according to legal requirements.

This Right of Access has been highlighted by a plaque on the wall installed on solicitor's advice.

The polite notice has been only partially successful until now.

This footpath is important also for your staff members.

Thank you for kind attention and consideration.

Yours sincerely,

[Redacted Signature]
