FOREWORD

Introduction

This Statement of Accounts, prepared in a form directed by Scottish Ministers in accordance with the National Parks (Scotland) Act 2000, reports on the second year of operation of the Cairngorms National Park Authority (CNPA). The Authority became fully operational on 1 September 2003 but prior to that date the Authority had assumed stewardship duties for the area from the Cairngorms Partnership following the creation of the CNPA Board on 25 March 2003.

Background

National Park Aims

Section 1 of the National Parks (Scotland) Act 2000 sets out four aims for the Park:

- to conserve and enhance the natural and cultural heritage of the area;
- to promote sustainable use of the natural resources of the area;
- to promote understanding and enjoyment (including enjoyment in the form of recreation) of the special qualities of the area by the public; and
- to promote sustainable economic and social development of the area's communities.

The National Park Authority

Under the legislative provisions of the National Parks (Scotland) Act 2000, the Designation Order for CNPA was approved on 7 January 2003. The Order defined the boundaries of the National Park, confirmed the constitution of the Authority, the functions to be exercised by the Authority and identified specific dates on which the CNPA would come into existence and when it would become responsible for full function delivery viz, the establishment date of 25 March 2003 and operational date of 1 September 2003.

The National Park Authority (NPA) has the status of a Non-Departmental Public Body working to the provisions of a Management Statement and Financial Memorandum agreed with its sponsor department within the Scottish Executive: the Environment and Rural Affairs Department (SEERAD). The general purpose of the Authority is to ensure that the National Park Aims are collectively achieved in a co-ordinated way, in relation to the National Park.

A full list of Park Authority Members together with a resume of their backgrounds is detailed on pages 3 to 5.

Results and future activities

The accounts for the year to 31 March 2005 are set out in pages 10 to 12 together with the notes on pages 13 to 18. These show a surplus of £16,788 for the year to 31 March 2005.

The Authority will continue to build on the progress made in its first period of operation and will maintain operational services while putting in place efficient, effective and economic management information systems. A major priority during the course of the coming year will be the completion of the development and issue for consultation of a draft National Park Plan and draft Local Plan. The CNPA assumed responsibilities as an Access Authority on 2 February 2005 and therefore 2005/06 will represent the first full year during which these responsibilities will be exercised.

A comprehensive presentation of the Authority's current and future activity plans is available in its Operational Plan for 2005/06 and Corporate Plan for 2005 to 2008.

Changes in fixed assets

Movements in fixed assets are shown in note 7.

Post Balance Sheet Events

There are no post balance sheet date events to report for the year to 31 March 2005.

Charitable Donations

There were no charitable donations made in the year.

Payment Performance

The Authority's payment policy complies with the terms of the Better Payment Practice Code. During the year to 31 March 2005, the time taken to pay creditors achieved an average of 19 days (2004 - 24 days).

Employment policies, consultation and disabled employees

During the year the Authority issued a staff handbook which covers its employment policies and terms and conditions. The Authority's Equal Opportunities Policy ensures that the Authority does not discriminate on grounds of disability, racial group, sex, religion, sexual orientation or age, and that access to employment and career development within the Authority is based solely on ability, skill, competence and potential.

A job evaluation exercise has been completed and an appraisal system is now in operation.

There is a monthly staff meeting for all staff at which any issue may be raised by individuals, as well as regular meetings for each Group within the Authority where individuals may raise issues with their Head of Group. A Staff Consultative Forum has been formed which provides a formal mechanism for employer representatives to inform, consult and negotiate with staff representatives from across the organisation.

Auditors

The accounts of the Authority are audited by an auditor appointed by the Auditor General for Scotland in accordance with paragraph 25 (2) of the National Parks (Scotland) Act 2000. His audit report is on pages 8 and 9 and details of the auditor's remuneration are given in note 5.

Signed on behalf of the Cairngorms National Park Authority

He has a keen interest in both local community issues and those issues which fall to the remit of the Park Board.

STATEMENT OF NATIONAL PARK AUTHORITY'S RESPONSIBILITIES

Under Section 25(1) of the National Parks (Scotland) Act 2000, the Cairngorms National Park Authority (CNPA) is required to prepare financial statements for each financial year in the form and on the basis determined by the Scottish Minister.

The financial statements are prepared on an accruals basis and must show a true and fair view of the state of affairs of the Authority at the financial period end and of the income and expenditure, total recognised gains and losses and cash flows for the financial year.

In preparing those financial statements, the CNPA is required to:

- *observe the financial statements direction issued by Scottish Ministers, including the relevant accounting and disclosure requirements, and apply suitable accounting policies on a consistent basis;*
- *make judgements and estimates on a reasonable basis;*
- *state whether applicable accounting standards have been followed, and disclose and explain any material departures in the financial statements; and*
- *prepare the financial statements on the going concern basis unless it is inappropriate to presume that the CNPA will continue in operation.*

In addition, the CNPA has general responsibility for taking such steps as are reasonably open to it to safeguard the assets of the CNPA and to prevent and detect fraud and other irregularities.

STATEMENT OF ACCOUNTABLE OFFICER'S RESPONSIBILITIES

The Accountable Officer of the Scottish Executive's Environment and Rural Affairs Department designated the Chief Executive of the CNPA as Accountable Officer for the Authority.

The Chief Executive's relevant responsibilities as Accountable Officer for the Authority, includes responsibility for propriety and regularity of the public finances and for the keeping of proper records are set out in the Non-Departmental Public Bodies Accountable Officers' Memorandum, issued by the Treasury and published in Government Accounting.

The Authority's Management Statement sets out the specific responsibilities of the Chief Executive, as Accountable Officer. With specific reference to accounting for the CNPA's activities the Accountable Officer:

- has a duty to sign the accounts and be responsible for ensuring that proper records are kept and presented in accordance with any direction issued by the Scottish Ministers;
- sign a Statement of Accountable Officer's responsibilities and a Statement on Internal Control both for inclusion in the annual accounts;
- sign a Certificate of Assurance on the maintenance and review of the Authority's internal control, for submission to the Sponsoring Department; and
- give evidence when summoned before Committees of the Scottish Parliament on the use and stewardship of public funds by the Authority.

Jane Hope, Chief Executive

● ● 2005

STATEMENT OF INTERNAL CONTROL for the period ended 31 March 2005

As Accountable Officer, I have responsibility for maintaining a sound system of internal control that supports the achievement of the Cairngorms National Park Authority's policies, aims and objectives, whilst safeguarding the public funds and departmental assets for which I am personally responsible, in accordance with the responsibilities assigned to me in the Authority's Management Statement. This is achieved by ensuring that I, as Chief Executive, managers within the organisation and members of the Authority receive regular flows of accurate and timely information enabling decisions to be made on an informed and considered basis.

The system of internal control is designed to manage risk to a reasonable level rather than to eliminate all risk of failure to achieve policies, aims and objectives; it can therefore only provide reasonable and not absolute assurance of effectiveness. The system of internal control is based on an ongoing process designed to identify and prioritise the risks to the achievement of the Authority's policies, aims and objectives, to evaluate the likelihood of those risks being realised and the impact should they be realised, and to manage them efficiently, effectively and economically.

Work on risk assessment and development of an appropriate risk management strategy was undertaken over the course of 2004/05. A risk management workshop was attended by members of the Authority's Management Team and by the Convener of the Audit Committee in November 2004. A strategic risk register was identified as an outcome of that workshop. This strategic risk register was subsequently approved by the Board's Audit Committee in March 2005, along with a risk management strategy. The strategy identifies appropriate responses to strategic risks and requires the identification of officers responsible for their management. First steps have been taken in 2005/06 to embed the risk management strategy within the Authority's operational planning processes.

The internal audit function is an integral element of the Authority's internal control systems. Deloitte LLP were appointed as the Authority's internal auditors in June 2004 and, in addition to facilitating the risk management workshop, have established and commenced work on a three year internal audit programme. They will report to and attend the Board's Audit Committee. Reports on the outcome of their first two internal audit reviews, covering fixed assets and payroll, were presented to the Audit Committee in March 2005.

As Accountable Officer, I have responsibility for reviewing the effectiveness of the system of internal control. My review of the effectiveness of the system of internal control is informed by work of the internal auditors and the executive managers within the department who have responsibility for the development and maintenance of the internal control framework, and comments made by the external auditors in their management letter and other reports. I have been advised on the implications of the result of my review of the effectiveness of the system of internal control by the Board and the Audit Committee and a plan to address weaknesses and ensure continuous improvement of the system is in place.

The Authority's Audit Committee is tasked with monitoring the operation of the internal control function and bringing to the attention of the full Board any material matters. Detailed findings of all the internal audit reviews are made available to both management and the Audit Committee and, in addition, the Audit Committee will produce an annual report to the Board assessing the adequacy and effectiveness of the Authority's internal controls.

INDEPENDENT AUDITOR'S REPORT

TO THE MEMBERS OF THE CAIRNGORMS NATIONAL PARK AUTHORITY, THE SCOTTISH PARLIAMENT AND THE AUDITOR GENERAL FOR SCOTLAND

I have audited the financial statements on pages 10 to 18, which have been prepared under the National Parks (Scotland) Act 2000. The financial statements have been prepared under the historical cost convention as modified by the revaluation of certain fixed assets and in accordance with the accounting policies set out on page 13.

This report is made solely to the parties to whom it is addressed in accordance with the Public Finance and Accountability (Scotland) Act 2000 and the Code of Audit Practice approved by the Auditor General and for no other purpose, as set out in paragraph 43 of the Statement of Responsibilities of Auditors and of Audited Bodies prepared by Audit Scotland, dated July 2001.

Respective responsibilities of the National Park Authority, the Chief Executive and Auditor

As described on page 6, the National Park Authority and the Chief Executive are responsible for the preparation of the financial statements and for ensuring the regularity of expenditure and receipts. The National Park Authority and the Chief Executive are also responsible for the preparation of the Foreword. My responsibilities, as independent auditor, are established by the Public Finance and Accountability (Scotland) Act 2000 and the Code of Audit Practice approved by the Auditor General for Scotland, and guided by the auditing profession's ethical guidance.

I report my opinion as to whether the financial statements give a true and fair view and are properly prepared in accordance with the National Parks (Scotland) Act 2000 and directions made thereunder and whether, in all material respects, the expenditure and receipts shown in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers. I also report if, in my opinion, the Cairngorms National Park Authority has not kept proper accounting records, or if I have not received all the information and explanations I require for my audit.

I review whether the statement on page 7 complies with Scottish Executive guidance on statements on the system of internal control. I report if, in my opinion, it does not comply with the guidance or if the statement is misleading or inconsistent with other information I am aware of from my audit. I am not required to consider whether the statement covers all risks and controls, or form an opinion on the effectiveness of the Cairngorm National Park Authority's corporate governance procedures or its risk control procedures.

I read the other information contained in the Foreword, and consider whether it is consistent with the audited financial statements. I consider the implications for my report if I become aware of any apparent misstatements or material inconsistencies with the financial statements.

Basis of audit opinions

I conducted my audit in accordance with the Public Finance and Accountability (Scotland) Act 2000 and the Code of Audit Practice, which requires compliance with relevant United Kingdom Auditing Standards issued by the Auditing Practices Board.

An audit includes examination, on a test basis, of evidence relevant to the amounts, disclosures and regularity of expenditure and receipts shown in the financial statements. It also includes an assessment of the significant estimates and judgements made by the Cairngorms National Park Authority and Chief Executive in the preparation of the financial statements, and of whether the accounting policies are appropriate to the Cairngorms National Park Authority's circumstances, consistently applied and adequately disclosed.

I planned and performed my audit so as to obtain all the information and explanations which I considered necessary in order to provide me with sufficient evidence to give reasonable assurance that the financial statements are free from material misstatement, whether caused by fraud or other irregularity or error, and that, in all material respects, the expenditure and receipts shown in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers. In forming my opinion I also evaluated the overall adequacy of the presentation of information in the financial statements.

Opinions

Financial statements

In my opinion the financial statements give a true and fair view of the state of affairs of the Cairngorms National Park Authority at 31 March 2005 and of the surplus, total recognised gains and losses and cash flows for the period then ended and have been properly prepared in accordance with the National Parks (Scotland) Act 2000 and directions made thereunder.

Regularity

In my opinion, in all material respects the expenditure and receipts shown in the financial statements were incurred or applied in accordance with any applicable enactments and guidance issued by the Scottish Ministers.

NOTES TO THE ACCOUNTS for the period ended 31 March 2005

1. Accounting Policies

(a) *Basic Accounting*

The accounts have been prepared under the historical cost convention modification in a form determined by Scottish Ministers. The particular accounting policies adopted are described below and are applied consistently within the accounts.

Without limiting the information given, the accounts meet the accounting and disclosure requirements of the Companies Act 1985 and accounting standards issued and adopted by the Accounting Standards Board in so far as those requirements are appropriate.

(b) *Accounting Period*

The accounting period commenced on 1 April 2004 and ended on 31 March 2005.

(c) *Fixed Assets*

Fixed assets are valued at initial cost less accumulated depreciation.

Depreciation is provided on all fixed assets at rates calculated to write-off the cost evenly over the asset's expected useful life, as follows:

Leasehold improvements	Over length of lease
Office equipment	5 years
IT equipment	3 years
Motor vehicles	5 years

(d) *Value Added Tax*

Irrecoverable VAT is charged to the Income and Expenditure Account in the period in which it is incurred.

(e) *Leases*

Operating lease rentals are charged to the Revenue Account over the term of the lease.

(f) *Grant in Aid Receivable*

The Authority receives government Grant in Aid to finance its net expenditure. Grant in aid used to purchase fixed assets is credited to a Government Grant Reserve Account and an amount equivalent to the historical depreciation charge is released to the Income and Expenditure Account over the expected useful life of the relevant assets.

(g) *Notional Costs*

In line with HM Treasury's Fees and Charges Guide, the Authority includes notional costs for cost of capital.

(h) *Pension Costs*

The Authority is a member of the Principal Civil Service Pension Scheme (PCSPS). The expected cost of providing staff pensions is recognised through monthly payment of Accruing Superannuation Liability Charges contributions to the PCSPS.

(i) *Debtors*

All material amounts due as at 31 March 2005 have been brought into the Income and Expenditure Account irrespective of when actual payments were received.

(j) *Creditors*

All material amounts outstanding as at 31 March 2005 have been brought into the Income and Expenditure Account irrespective of when actual payments were made.

14. Pensions

The Authority is a member of the Principal Civil Service Scheme (PCSPS). This is an un-funded multi-employer defined benefit scheme and accords with guidance contained in "Non-Departmental Bodies: A Guide for Departments". The Authority is unable to identify its share of the underlying assets and liabilities of the scheme. A full actuarial valuation was carried out as at 31 March 2003 details of which can be found in the Resource Accounts of the Cabinet Office: Civil Superannuation (www.civilservice-pensions.gov.uk).

For 2004-05 employer's contributions of £160,147 (2003-04 £18,392) were payable to the PCSPS. The contributions were payable at one of four rates ranging from 12.0% to 18.5% of pensionable pay, based on salary bands. The contribution rates reflect benefits as they are accrued and reflect past experience of the scheme. For 2005-06 the employer's contribution rates increase to between 16.2% and 24.6% for 2005-06 and between 17.1% and 25.5% for 2006-07.

Effective 1 April 2004, all employees previously employed by the Cairngorms Partnership transferred into the PCSPS and all new employees have the opportunity to join the scheme.

15. Related party transactions

The Authority is a Non-Departmental Public Body of the Scottish Executive. The Authority's sponsoring Department is the Scottish Executive Environment and Rural Affairs Department (SEERAD)

SEERAD is regarded as a related party with which there have been various material transactions during the year.

In addition the Authority has had a number of material transactions with other Government Departments and other Non-Departmental Public Bodies. Most of these transactions have been with Scottish Natural Heritage.

None of the Board Members, Management Team, or other related parties have undertaken any material transactions with the Authority during the year. Material transactions cover payments made under contract for goods or services.

16. Capital commitments, contingent liabilities and operating leases

There were no contracted capital commitments outstanding and not included in the balance sheet, nor were there any contingent liabilities existing at the balance sheet date.

Commitments under non-cancellable operating leases are as follows:

	<i>Land & buildings</i> 2005 £	<i>Motor vehicles & office equipment</i> 2005 £	<i>Land & buildings</i> 2004 £	<i>Motor vehicles & office equipment</i> 2004 £

CAIRNGORMS NATIONAL PARK AUTHORITY
DIRECTION BY THE SCOTTISH MINISTERS

1. The Scottish Ministers, in pursuance of The National Parks (Scotland) Act 2000, hereby give the following direction.

2. The statement of accounts which it is the duty of the Cairngorms National Park Authority to prepare in respect of the financial year ended 31 March 2004 and in respect of any subsequent financial year, shall comprise:

- 2.1 a foreword;
- 2.2 an income and expenditure account;
- 2.3 a balance sheet;
- 2.4 a cash flow statement;
- 2.5 a statement of total recognised gains and losses;
- 2.6 a statement of accountable officer's responsibilities; and
- 2.7 a statement on the system of internal control.

including such notes as may be necessary for the purposes referred to in the following paragraphs.

3. The statement of accounts shall give a true and fair view of the income and expenditure and cash flows for the financial year and the state of affairs as at the end of the financial year. Subject to this requirement, the accounts shall be prepared in accordance with:

- 3.1 the accounting and disclosure requirements of the Companies Act for the time being in force; and
- 3.2 generally accepted accounting practice in the UK, including accounting standards issued or adopted by the Accounting Standards Board; and
- 3.3 guidance which Scottish Ministers may issue from time to time in respect of accounts which are required to give a true and fair view;
- 3.4 the accounting and disclosure requirements given in "Executive NDPBs: Annual Reports and Accounts Guidance", as amended or augmented from time to time;

insofar as these are appropriate to the Cairngorms National Park Authority and are in force for the financial year for which the statement of accounts is to be prepared.

4. Clarification of the application of the accounting and disclosure requirements of the

Companies Act and accounting standards is given in Schedule 1 attached. Additional disclosure requirements are set out in Schedule 2 attached.

5. The income and expenditure account and balance sheet shall be prepared under the historical cost convention modified by the inclusion of:

5.1 fixed assets at their value to the business by reference to current costs; and

5.2 stocks valued at the lower of net current replacement cost (or historical cost if this is not materially different) and net realisable value.

6. This direction shall be reproduced as an appendix to the statement of accounts.

Signed by the authority of the Scottish Ministers

Dated

20th April 2004
