- 8. 11/165/CP - Temporary Siting of Five Portacabins as Site Compound for Civil Works at Dalwhinnie Garage, Station Road, Dalwhinnie

The decision was to call-in the application for the following reason:

- This proposal is for a site compound associated with works for the Beauly – Denny power line. The CNPA have concerns at the cumulative impact on the village of this compound and the adjacent compound at the former lorry park site, raising issues of landscape, and socio-economic for Dalwhinnie. As such the proposal raises issues of general significance.
