

**CAIRNGORMS NATIONAL PARK AUTHORITY
BOARD MEETING 20 SEPTEMBER 2019
ANY OTHER BUSINESS
SUMMARY OF BOARD MEMBERS REPRESENTATIONAL RESPONSIBILITIES**

Purpose of Paper

This paper follows on from the approval of the new Board Fees Policy approved by the Board on the 28 June 2019 and presents a summary of the current position regarding Board Members' responsibilities for representing the Authority.

Information

The Board agreed at the meeting of 28 June 2019 to a policy of a "base" annual allocation of 30 days time spent by members on core Board business, with the potential for a "top up" of a maximum of 6 additional days for members undertaking additional representational responsibilities on behalf of the Board.

The duties and responsibilities covered by the 30 base days have been outlined in the Board Fees Review paper considered by the Board in June. This includes Board meetings, Board Business Days, Visit and Development Days, Planning Committee meetings and visits, and other corporate committees.

The approved paper set out proposals for implementation of the policy in paragraphs 7-13. Paragraph 7c set out that that Board Members who currently had less than six days of additional responsibilities would be given the opportunity to discuss additional roles prior to the implementation of the policy on 1st October 2019.

All Board members were emailed to set out the current understanding of their representational responsibilities, and to seek:

- confirmation of accuracy of current understanding of roles;
- feedback on whether members have any wider engagements with internal groups or external organisations they would like to relinquish;
- feedback if members would be interested in taking on further roles and responsibilities.

A summary of the position as at 19 September is set out with this paper.

The fee payment arrangement underpinned by members' representational responsibilities will commence from 1 October 2019. The intention is to pay each member's fees, inclusive of top up time allocations, on the basis of equal monthly payments, except in the cases of one off conferences/events where the top-up will be paid at the end of the quarter.
