FOR DECISION

Title: CAIRGORMS NATIONAL PARK GREEN RECOVERY PLAN

Prepared by: GRANT MOIR, CEO

Purpose

This paper presents the Cairngorms National Park Green Recovery Plan for consideration by the Board. This plan has been shared in advance for input with partners. It will have to change and adapt as the circumstances change as we look to recover from Covid.

The Green Recovery Plan looks to deliver across all 4 aims of the National Park and to do so in an integrated way.

Recommendations

The Board is asked to:

- a) Agree to the Cairngorms National Park Green Recovery Plan.**
 - b) Consider alongside the 2020/21 Budget & Operational Plan Review paper**
