Subject: 2018/0067/DET; erection of 23 affordable houses

Dear Sir/Madam,

This application's redline boundary incorporates a public right of way [HB41] which links the A86 to Coignafearn. It is also a core path in your Core Paths Plan LBS73 Tombaraidh.

The Highland Council has accepted that public rights of way remain our responsibility as the Planning Authority while you retain your responsibilities for core paths as the access authority.

In the event that consent is considered for this proposal or should any refusal be subject to a PLI can I recommend that before any report is drafted or report written that the CNPA and Highland Council agree on the appropriate treatment and management of this access issue?

Regards,

Stewart Eastaugh
