PRIORITIES

- Priority 1** – Support landscape-scale conservation, specifically the expansion of native and montane woodland, peatland restoration, natural flood management and Capercaillie management.
- Priority 2** – Ensure deer management is focused on delivering public interest priorities specifically the expansion of native woodlands and peatland restoration
- Priority 3** – Support sustainable moorland management to deliver greater habitat diversity and good management practice

PRIORITIES

- Priority 1** – Continue to ensure visitor infrastructure meets the expectations of visitors to the National Park and help deliver a sustainable tourism economy
- Priority 2** – Increase physical activity in both residents and visitors and support delivery of Scotland's Natural Health Service
- Priority 3** – Create a 'Park for All' by encouraging people from all backgrounds to come and recreate, learn in or visit the National Park

PRIORITIES

- Priority 1** – Support delivery of housing for local needs through an efficient and effective planning service.
- Priority 2** – Support communities, specifically focussing on the most fragile, to deliver their agendas for change.
- Priority 3** – Work closely with the business community and partners to support a sustainable Park economy.
