Case Officer: Andrew McCracken

## Customer Details

Name: Mr Brian Hunt

Address: Glenavon House Main Street Newtonmore

## Comment Details

Commenter Type: Neighbour

Stance: Customer objects to the Planning Application

Comment Reasons:

Comment: We object to the fact that there are now four windows on the east side of the building. Two of the windows will be looking directly into the room we use for our bedroom and although it is proposed that they have frosted glass in them we would assume that they will open, especially as one is a kitchen window. We agreed to the initial plans as there was to be a dormer window at the front of the building and the only window at the side was for the lounge which would not affect us at all.
