Planning Permission in Principle for Erection of shooting lodge  
(Resubmission of refusal application 09/351/CP)

Site plan/photo

### KEY POINTS

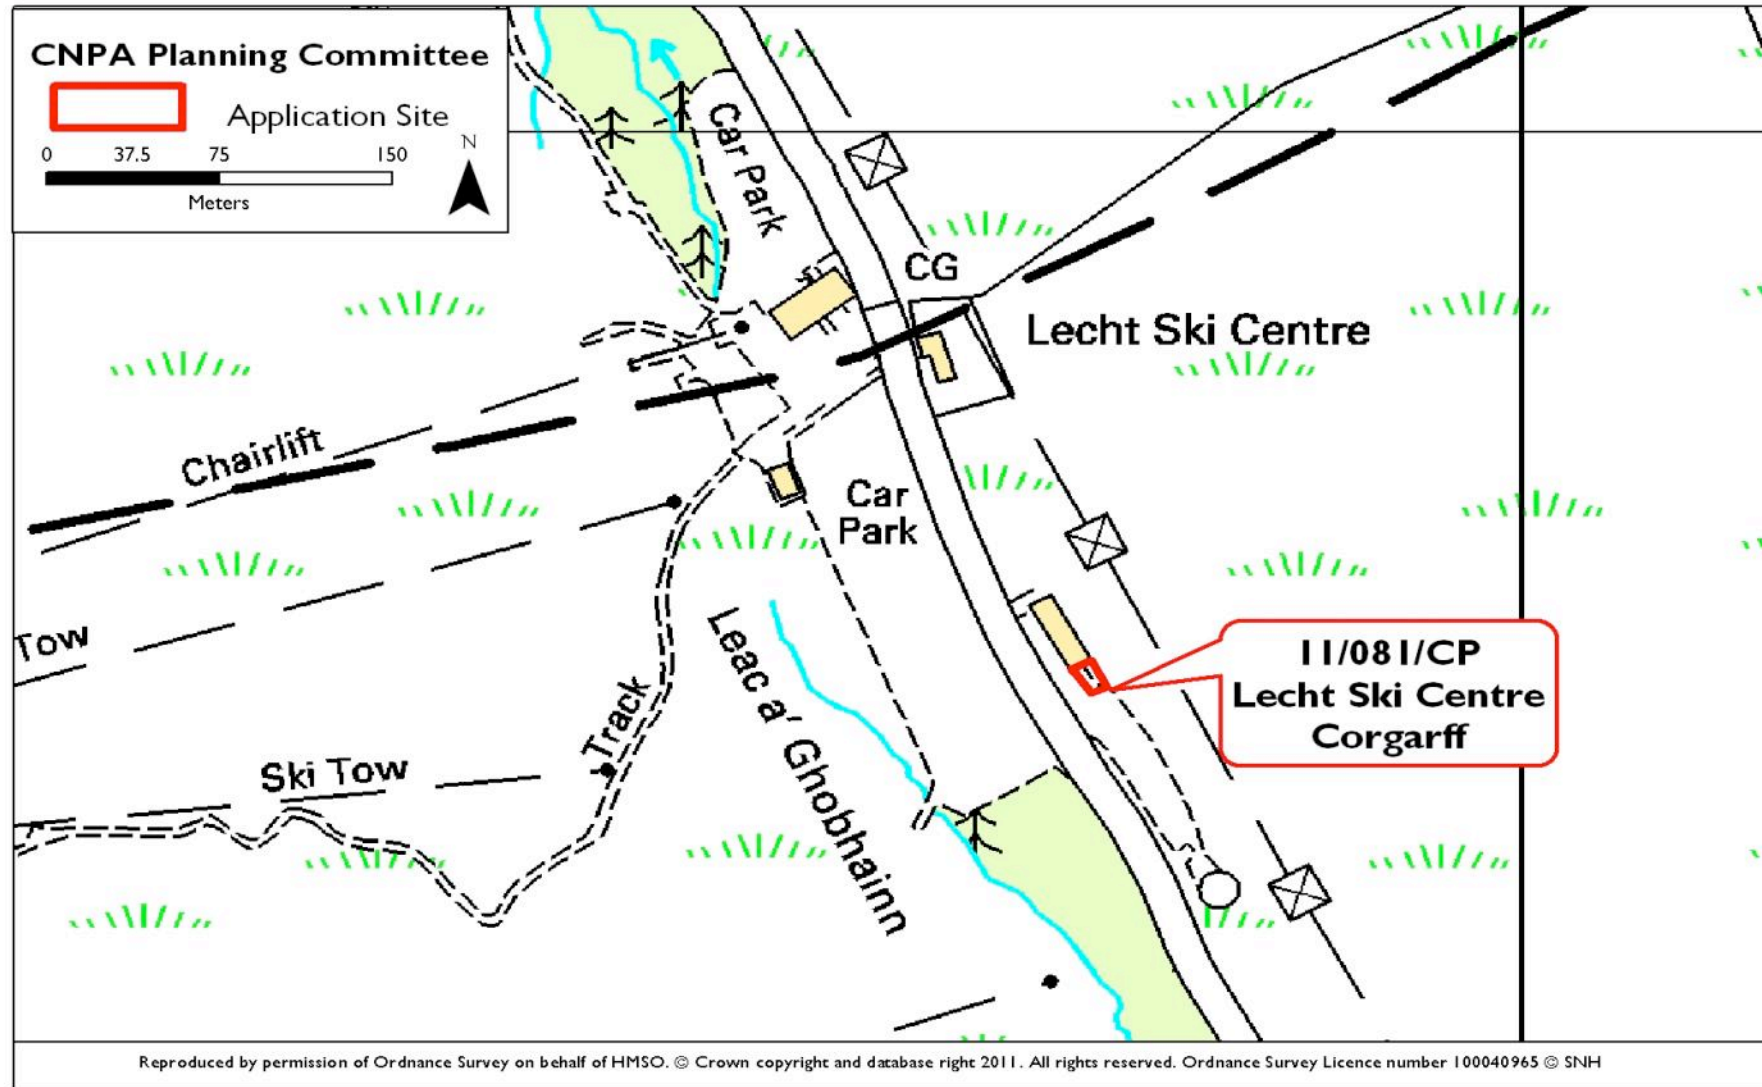

- Application for planning permission in principle for shooting lodge, application previously refused by CNPA for lack of land use management justification
- The site is located in a prominent countryside location which also carries a landscape designation and where there are restrictions on unjustified houses. The proposal is therefore considered likely to raise issues relating to the principle of development, precedent and landscape. As such the proposal is of general significance to the collective aims of the National Park.

**APPLICANT:** Mr Michael Pattison

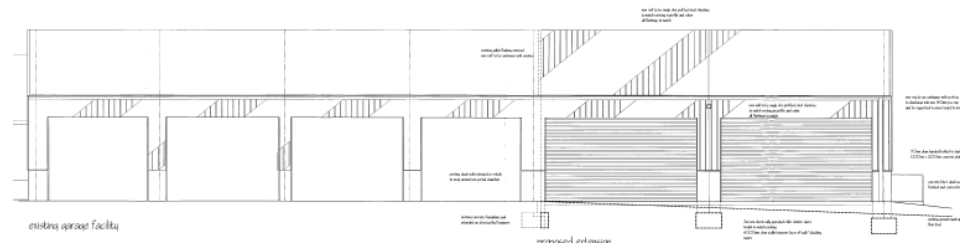

**RECOMMENDATION:** CALL-IN
