Recommendation: Approve Subject to Conditions

7. The Convener advised that there would be no opportunities for speakers to address the Committee as they had been heard at the Planning Committee meeting on 19 February 2016.
8. Katherine Donnachie presented a paper recommending that the Committee approve the application subject to the conditions stated in the report. She also highlighted the

APPROVED COMMITTEE MINUTES

contents of a late representation from the Old Kirk of Abernethy Association relating to road accidents at the site – as already referenced in the committee report.

9. The Committee were invited to ask the Planning Officer and Frances Thin, Landscape Adviser points of clarification, the following were raised:
 - a) Clarification of the access points to the main road.
 - b) The appropriateness of the proposed hedgerow planting. It was confirmed that the hedge would give it a defined edge.
 - c) Would the proposed finish of the house would have less of a visual impact if it was a different colour? It was confirmed that the proposed white finish of the house was in keeping with crofts in the area.
 - d) Confirmation that Condition 1 be amended to include that species be of local provenance.
 - e) Confirmation that the undergrounding of servicing would be added as an additional condition.
10. The Committee agreed to approve the application subject to conditions stated in the report and the following additions:
 - a) Condition 1 to include that species be of local provenance in the landscape plan.
 - b) An additional condition for the underground servicing.

11. **Action Points arising:**

- i. **The addition of a condition to cover the underground servicing.**
- ii. **Condition 1 to include that species be of local provenance in the landscape plan.**

Agenda Item 6:

Report on Called-In Planning Application:

Amended route of temporary haul road and siting of contractors compound for the servicing and construction of Phase 1 Housing Development of 37 plots and 18 affordable dwellings granted under Permission Ref 2013/0190/MS

At Land to North and East and West Of Dunbarry Terrace and Kerrow Drive Kingussie

(2015/0316/DET)

Recommendation: Approve Subject to Conditions

12. Gavin Miles, Head of Planning provided a brief introduction on Items 6 and 7 on the Agenda and explained their history and how they differ.

APPROVED COMMITTEE MINUTES

13. The Convener informed Members that Gary Johnston, Agent, Tessa Jones (Badenoch & Strathspey Conservation Group) and Elizabeth & John Harkai, Objectors wished to address the Committee.
14. Katherine Donnachie presented a paper recommending that the Committee approve the application subject to the conditions stated in the report.
15. The Committee were invited to ask the Planning Officer and Frances Thin, Landscape Adviser points of clarification, the following were raised:
 - a) Confirmation that the advanced planting was part of the long term vision. It was confirmed that it was.
 - b) Confirmation that a stock proof fence was intended.
 - c) Concern that condition 7 would be strong enough to safeguard against surface water and flooding. Members were reminded that it would be a temporary haul road and therefore that sufficient detail had been provided subject to conditions recommended in the report. The next item on the agenda required submission of full details for future phases
 - d) The duration of the proposed temporary permission for the haul road.
 - e) Reassurance that the proposed temporary haul road would be removed and reinstated and the timescales associated with this.
 - f) Clarification as to what stage was being referred to with the words 'following completion of the work' in paragraph 67 of the report. Katherine agreed to seek clarification from Transport Scotland.
 - g) Confirmation that there would be a clear separation between the footpath and the haul road. It was confirmed that a fence and a hedge was intended between the two.
 - h) Confirmation that thought had been put into the treatment and conservation of top soil removed to ensure successful reinstatement later. It was confirmed that this had been taken into account by way of Condition 3.
 - i) Clarity as to why the site for the compound had been chosen given that it was situated on the opposite side of the core path. It was confirmed that the location had been picked to minimise visual intrusion and had been deemed a practical solution.
 - j) Confirmation that the proposal was to remove the temporary haul road and compound on the completion of the first 55 houses as planned in Phase 1. This was confirmed.
16. Gary Johnston, the Agent, addressed the Committee. The Committee were invited to ask questions, and the following points were raised:
 - a) Any perceived environmental impacts of lighting on the proposed site. It was confirmed that lighting of the road and compound would be on a localised basis.
 - b) Was it intended that the compound would be moved at a later date to accommodate Phases two and three? It was confirmed that there were no plans to move the

APPROVED COMMITTEE MINUTES

compound at present. It was advised that the current proposed site for the compound was zoned for Economic Development in the current Local Development Plan.

- c) The estimated completion date of Phase I.
- d) The estimated volume of vehicles using the temporary haul road.

17. Tessa Jones followed by Mr John Harkai, Objectors addressed the Committee.

18. The Convener thanked the speakers.

19. The Committee discussed the application and the following points were raised:

- a) The need to ensure that the temporary haul road does not end up being a permanent road.
- b) Reassurance sought that the conditions are enforceable in the interests of neighbouring houses to the site.
- c) In reference to Condition 11 that details the access road and completion of trunk way footway being reinstated. An amendment to be made to the wording to make it clearer, stating for example 'following completion of the access upgrading work'.
- d) In reference to Condition 10 'the landscaping to be protected and maintained in accordance with the homeowners soft landscape maintenance and management advice notes', the word 'homeowners' to be removed.
- e) In reference to Condition 3a, the addition of the words 'turfs, topsoil and sub soil' to ensure clarity.
- f) In reference to Condition 5 that relates to the construction compound the addition of a reference to lighting to be included in the wording of the condition.
- g) How clear was it made that the compound would be a temporary structure and that should it be needed for longer or need to be moved, then this would need to be included in future applications? Katherine agreed that Condition 9 could be expanded to include the compound.

20. The Committee agreed to approve the application subject to amendments to the following conditions:

- a) Condition 3a - the addition of the words 'turfs, topsoil and sub soil'.
- b) Condition 5 – reference to lighting to be added.
- c) Condition 9 – the compound to be included.
- d) Condition 10 – the removal of the word 'homeowners'.
- e) Condition 11 – Change in the wording to state (to the effect of) 'following completion of the access upgrading work'

APPROVED COMMITTEE MINUTES

21. **Action Points arising:**

- i. **Amendments to be made to Conditions 3a, 5, 9, 10 & 11 as detailed in paragraph 20.**
