Sunday Times Best Company to Work for in the Public Sector Survey

The Authority participated in the *2010 Sunday Times Best Companies to work for in the Public Sector Survey*. The actual survey questionnaire was conducted in late 2009, with the results produced in 2010. CNPA was listed 25th on the top 75 list.

The enhanced survey results were analysed, and circulated to all staff. Management Team and staff identified the key highlights and shadows, and these were discussed through the most recent Staff Consultative Forum.

The survey results and discussion paper are attached in the annexes.
