

## CAIRNGORMS NATIONAL PARK AUTHORITY

---

**Title: DATES OF CNPA BOARD MEETINGS FOR 2003**

**Prepared by: JANE HOPE, INTERIM CHIEF EXECUTIVE**

### **Purpose**

To place on record the dates of formal board meetings and informal briefing sessions for the remainder of this calendar year.

### **Recommendations**

That the Board confirm the dates set out below (as initially agreed informally).

### **Executive Summary**

The Board will require to meet formally on a number of occasions in order to agree, in public forum, significant matters of policy and expenditure. It will also be sensible to meet informally to take briefings on a range of matters, attend training sessions, and visit areas of the Park. The attached list of dates provides for agreement, following earlier informal discussions.
