Dear Sirs,

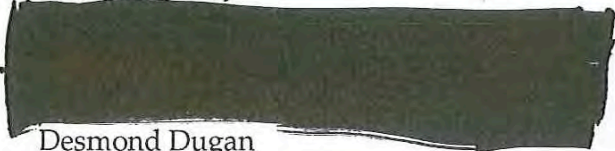

Retention of Bothy at Straanruie Woodland, Tulloch, Nethybridge

Thank you for your neighbour notification re the retention of the bothy at Straanruie wood.

RSPB supports Mr and Mrs Hay's application to retain this service bothy.

They are excellent neighbours and regularly use the bothy during their management visits to the woodland. The recent heavy snow was a fine example where lots of trees and branches had to be cleared from roads and tracks. Mr and Mrs Hay were on hand to do their own property but also to assist with tracks and paths along our shared boundaries.

Yours faithfully

Desmond Dugan
Site Manager Forest Lodge
