

## Appendix 3 - Managing for visitors activity – 2023 Ranger patrol reports

During 2023 the Park Authority Ranger service piloted the use of a new mobile device recording system for gathering patrol data in the field which subsequently connects and uploads the data to the Park Authority GIS. Further work is required before this can be rolled out across the full family of ranger services so data from partner ranger services is contained in a separate table.

### Cairngorms National Park Authority Ranger Data

Week	Patrol date	Month	Patrols	Tents	Motorhomes	Vehicles	Dogs on leads	Dogs off lead	Active Fires	Fire remains	Fires present	Fires removed	Litter amount	Litter removed	Negative Interactions	Positive Interactions
