## Comment Details

Commenter Type: Neighbour

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: I would be pretty much in favour of this project but my main concern would be the location, I've lived in the area since 1995 and I've seen that field flooded on a number of occasions. I'm also a bit concerned about what sort of impact it will have on local businesses already working in the area.
