programme for the A9. The Agent, Andrew Bayne, confirmed the use of a similar direction related to development beside a Trunk road at Laurencekirk in Aberdeenshire.

19. The Committee were invited to discuss the report, the following points were raised:
 - a) A Member commented this was the second time the Committee were considering the application. The access was the previous concern, but the Member was confident this would be dealt with by Transport Scotland. This is a high quality development, would enhance the area and would be complimentary to local businesses.
 - b) A Member commented this is a good scheme and would support the visitor economy of the area.
20. **The Committee agreed to approve the application as per the Officer's recommendation subject to the conditions and the direction stated in the report.**
21. **Action Point arising:None.**
22. Deirdre Falconer and John Kirk returned to the meeting.
23. The Convener thanked the Agent, Andrew Bayne and the Applicant, Gary Culpan. They left the room.
24. Janet Hunter left the room for the duration of Item 7.

26. Gavin Miles, Head of Planning and Communities, presented the paper to the Committee.
27. The Committee were invited to ask points of clarity, the following points were raised:

APPROVED COMMITTEE MINUTES

- a) A Member voiced initial concerns and lack of information on bird strike. Head of Planning noted there was little evidence of bird strike having a significant impact on populations of birds at ski areas so was not considered to be significant issue.
 - b) A Member queried if a condition could be added, requesting recording of information on bird strike. Head of Planning confirmed this could be done if necessary.
28. David Farquharson addressed the committee.
29. The Committee were invited to ask points of clarity, the following points were raised:
- a) A Member queried the 5 or 6 new employees and would they be year round. The applicant confirmed they would be year round, and undertake other work within the ski during the winter months.
 - b) A Member queried if this development would be out of operation during the winter, then resumed in the spring. This was confirmed by the applicant.
 - c) A Member queried how customers would get from the roadside to the zipwire. The applicant confirmed they would use the existing chairlift.
30. The Committee were invited to discuss the report, the following points were raised:
- a) A Member stated sustainability is very important for tourism, especially in this part of Aberdeenshire.
 - b) A Member queried if the infrastructure was out of use for say 5 years, could it be decommissioned by way of a condition being added? Head of Planning confirmed this should be done but suggested that a period of three years was more appropriate.
 - c) A Member stated this application was indeed an innovative diversification, a good use of the uplift, viable and a good source of additional employment, all year round. Very supportive and in agreement in regards the addition of the decommissioning condition.
 - d) A discussion on potential bird strike data and whether it would affect the development, bearing in mind that an informative note was already proposed to highlight NatureScot's best practice advice on developments with potential bird strike. Members agreed that a further condition was not necessary and that the advisory note proposed would be sufficient to deal with the issue.
 - e) The Convener agreed with Members in terms of tourism, diversification and giving support to the application. Agreeing an advisory in terms of the bird strike is an appropriate way to address that point.
31. Peter Ferguson, Harper McLeod LLP, clarified in regards to non-operation, a time period could be added, stating for example solar project will contain such a

conditions. Head of Planning recommended a period of 3 years would be a reasonable period.

32. **The Committee agreed to approve the application as per the Officer's recommendation subject to the conditions stated in the report and the addition of a further condition on decommissioning if not used in 3 years and an informative on bird strike.**

33. **Action Point arising: None.**

34. Janet Hunter returned to the room.

Agenda Item 8:

AOB

35. Gavin Miles reported on the following matters:

- a) Post Committee application Spey House Phase 2, Aviemore, is almost concluded. Delay in paying the developer contribution remained a delay in securing the final contract for the development with affordable housing providers, but 50% of the site was now covered by a contract. Once the Developer Contribution for education provision was provided, the Decision Notice would be issued.
- b) Post Committee application Former Filling Station, Aviemore – there has been a change of ownership on site, this had delayed the concluding of the Section 75. This will be signed very soon, thereafter the Decision Notice would be issued.
- c) The Scottish Government's proposals for licencing of short term let properties has been delayed until after Scottish election.
- d) Scottish Government has laid an extension to the emergency Covid legislation that extends the duration of planning permission. It has been proposed that permission that would otherwise expire before 30 September 2021 will now run to 31 March 2022.
- e) The Minecraft engagement project, led by Dan Harris, involving the Cairngorms Youth Action Team, was being covered in the press. The Convener suggested that the Youth Action Team could give a talk to the Committee in future on their use of it.

36. A Member enquired if there was any update on the LDP. Head of Planning, Gavin Miles stated Scottish Ministers confirmed we could adopt the LDP after making changes. These changes being to give text explaining on the settlement maps including the A9, to go to the Transport Scotland site to see the detail. Once the changes have been made, the LDP will be taken back to Committee on 26 March

APPROVED COMMITTEE MINUTES

2021. Head of Planning, Gavin Miles, to recirculate the email to members giving the Direction from Scottish Ministers.

37. The Deputy Convener informed Members that Jane Angus, a regular visitor to Planning Committee meetings in Ballater, had sadly passed away. She had volunteered in support the community extensively and over a long period of time and he thought it was appropriate to mention and give condolences to the family.

38. **Action Points arising: None.**

Agenda Item 9:

Date of Next Meeting

39. Friday 26 March 2021 at 10am via video/telephone conference.

40. The public business of the meeting concluded at 11.25am.
