Dear sir.

I am writing this with regard to my planning application for 10/106/cp Laggan no1 croft,kingussie,it is concerning the section 75 on this planning application.I would like to request to the CNPA planning Committee to change the wording of the section 75 agreement so that i would be able to reclaim the VAT on the new house.I also may well be needing a small mortgage and would need to be able to approach the mortgage lenders and be successful in getting a morgage even though there was a section 75 in place.I would be very gratefull if you would consider my requests.

many thanks
