

AGENDA ITEM 6

APPENDIX 4

2019/0134/DET

**COMMUNITY COUNCIL
COMMENTS**

From:George Dyer
Sent:15 May 2019 22:02:26 +0100
To:Planning
Subject:Application 19/01592/FUL

Carrbridge & Vicinity Community Council wish to register our objection to the above application on two counts.

1. We are concerned about the proposed site being in close proximity to known capercaillie activity, including a lek.
2. The proposed site is less than 200 metres from another recently erected structure which is allegedly being used for purposes other than that for which approval was given by The Highland Council. With the delineation of this woodland into separate blocks, we would not wish to see any proliferation of these forest "hideaways".

We would ask that due consideration be given to our concerns in respect of this application when your officers and members deliberate on the matter.

George Dyer
Vice Chair
