Comment Details

Commenter Type: Neighbour

Stance: Customer made comments neither objecting to or supporting the Planning Application

Comment Reasons:

Comment: Looking for clarification which I cannot find: distance of new road from boundary wall of Ben Hope. Overall height of proposed dwellings. The tree copse, who will be maintaining them and the rationale for having them in that positions. Answers will determine my stance. Can I also have clarification on whether these are privately owned dwellings or a housing association.
