
CAIRNGORMS NATIONAL PARK AUTHORITY

FOR DECISION

Title: BOARD MEETING SCHEDULE FOR 2012

**Prepared by: Jane Hope, Chief Executive
Andy Rinning, Business Services Manager**

Purpose

To confirm dates and venues for meetings of the Board and its Committees in 2012.

Executive Summary

Dates and Venues are attached at Annex I. Venues for meetings will move around the Park, but have been limited to those which have proved to work well (i.e. good access, good acoustics, additional meeting rooms etc). This does not restrict open evenings to those venues, and these will be held somewhere in the vicinity as appropriate. Planning meeting venues may be altered according to the cases being considered,

There will be a programme of summer field visits, with detailed arrangements and venues to be arranged nearer the time; suggestions from Members are welcome.
