# AGENDA ITEM 13

# APPENDIX I

# PROPOSED ACTION PROGRAMME REVIEW JUNE 2018

# Cairngorms National Park Local Development Plan Action Programme June 2018

# SECTION I: PURPOSE AND FORMAT

## **Purpose**

This Action Programme has been prepared to support the delivery of the Cairngorms National Park Local Development Plan 2015 (LDP). It identifies the actions which will help implement the vision, strategy and proposals of the LDP. It is the Cairngorm National Park Authority's (CNPA) main delivery tool for the LDP and will be used to help monitor progress.

The Town and Country Planning (Development Planning) (Scotland) Regulations 2008 requires Action Programmes to set out:

- A list of actions required to deliver each of the Plan's key policies and proposals;
- The organisation who is to carry out the action; and
- The broad timescale for carrying out each action.

However, Action programmes are now being promoted as a key tool for facilitating and supporting development delivery. Scottish Planning Policy (2014) emphasises that 'Action programmes should be actively used to drive delivery of planned developments: to align stakeholders, phasing, financing and infrastructure investment over the long term' (para. 31).

The preparation of this Action Programme has involved consulting with relevant bodies to include greater information about infrastructure requirements and constraints which may affect the delivery of sites. The CNPA want this Action Programme to be a 'live' document that changes and adapts over time. The CNPA will review and publish a revision of it each year in order to reflect changes on the ground, demonstrate progress or problems in delivery, incorporate new actions and provide up to date information on the status and progress of sites over time for communities and developers.

The CNPA will also use the Action Programme to build a clearer evidence base for the each of the allocated sites in the LDP, identifying constraints, or costs of developing sites and ways of resolving them. That information will be updated in each review of the Action Programme and available for developers and communities.

### Format

The Action Programme has six main sections:

Section	Page
I. The Purpose and Format	I
2. Delivery Priorities for the year ahead	5
3. National Projects	8
4. Infrastructure Delivery and other Projects	11
5. Delivery of LDP Policy Framework	20
6. Monitoring	26
7. Development Land Supply Information	27

# The role of partners

The Action Programme is prepared by the CNPA as the authority that prepares the Local Development Plan for the National Park. However, the CNPA is only one of many public bodies, private developers, landowners and communities who are responsible for delivering actions within it.

For example, most local authorities combine the roles of planning authority with housing authority, roads authority, education authority and delivery of services, each of which may help deliver the LDP for an area. In the Cairngorms National Park, the local authorities continue to do all those roles, with the CNPA sharing parts of the planning authority role. This means that our Action Programme relies heavily on the work of the local authorities and other public bodies as well as the owners of land, private developers and communities. There are too many to identify in detail, but some of the key roles are summarised below:

### Summary of partner roles

Partner		Responsible for:
Cairngorms National Park Authority	•	Coordination of delivery, monitoring and review of LDP and Action Programme. Significant planning consents, monitoring and enforcement, delivery of efficient planning service for customers Support and small-scale funding for corporate priorities
Local	٠	Planning consents, monitoring and enforcement,

Authorities	delivery of efficient planning service for customers.
	<ul> <li>Housing authority role including Housing</li> </ul>
	Strategies, Strategic Housing Investment Plans,
	assess Housing Need and Demand.
	Building Control, Roads, Waste, Education, Care
	services, Leisure, Business support, Environmental
	Health roles.
Scottish	Infrastructure for and connections to public water
Water	supplies and waste water systems.
	Full details at <u>www.scottishwater.co.uk</u>
Scottish	Advice and support on Natural Heritage in
Natural	preparation of LDP and in planning applications for
Heritage	planning authorities and developers.
	Regulation of Species Licences.
	Full details in <u>SNH Service Statement</u>
Scottish	Advice and support on Environmental issues in
Environment Protection	preparation of LDP and in planning applications for
Agency	planning authorities and developers.
Agency	<ul> <li>Environmental Regulations and Licensing.</li> </ul>
	Full details at <u>SEPA website</u>
Other public	• Advice and support during preparation of LDP and
bodies	in planning applications for planning authorities and
	developers.
	• May invest in projects or programmes that support
	or are connected to the LDP
Developers,	Undertake work to make effective planning
(including	applications, including seeking pre-application
community	advice.
groups or Public bodies	• Comply with planning consents and conditions.

when acting as a developer)	•	Secure other required consents. Keep planning authority informed of progress or problems with sites. Secure funding, manage development process through to completion and disposal or sale of properties.
Communities and other groups	•	Engage in LDP preparation and consultations. Develop and review Community Action Plans. Establish community development companies to coordinate and develop projects.

## Links to other Plans and Strategies

The Local Development Plan and Action Programme help to deliver the plans and strategies of many organisations and for many issues across the National Park. In particular, the Cairngorms National Park Partnership Plan sets the context for the LDP and is the plan that coordinates the work of many partners in the National Park. The implementation of the LDP and Action Programme contribute to many of the Partnership Plan's outcomes and programmes. Other plans or strategies prepared for the Cairngorms National Park that will also support the implementation of the LDP include:

- National Park Economic Strategy
- The National Park Capital Investment Plan
- Tourism Action Plan for the Cairngorms National Park
- Cairngorms Nature Strategy and Action Plan
- Core Paths Plan

Other plans and strategies that are closely linked include:

- The local authorities' Housing Strategies, and Strategic Housing Investment Plans
- Regional Transport Strategies
- Area Waste Plans
- Local Authority capital investment plans
- Community Action Plans
- Plans of Community Planning Partnerships
- Catchment Management Plans

## **Review of the Action Programme**

The CNPA will review and republish the Action Programme annually. We expect the Action Programme to evolve over the life of the LDP as it is implemented, as sites move forward, and partners focus work around the Action Programme.

#### Abbreviations used in the Action Programme

There are a number of organisations and terms that are used in the Action Programme frequently. Their names or terms have been abbreviated at some points in the document and are listed below.

#### **Organisations:**

8	
AC	Aberdeenshire Council
ACC	Aberdeen City Council
CBP	Cairngorms Business Partnership
CLP	Cairngorm Learning Partnership
FCS	Forestry Commission Scotland
FES	Forestry Enterprise Scotland
HES	Historic Environment Scotland
HIE	Highlands and Islands Enterprise
HITRANS	Highlands and Islands Transport Partnership
HLF	Heritage Lottery Fund
JHI	James Hutton Institute
LAs	all constituent Local Authorities
MC	Moray Council
NFUS	National Farmers Union Scotland
РКС	Perth & Kinross Council
RSPB	Royal Society for the Protection of Birds
SCI	Spey Catchment Initiative
SEPA	Scottish Environment Protection Agency
SS	Sportscotland
SNH	Scottish Natural Heritage
SSE	Scottish & Southern Energy
SW	Scottish Water
SYHA	Scottish Youth Hostelling Association

TGDT	Tomintoul and Glenlivet Development Trust
TGLP	Tomintoul and Glenlivet Landscape Partnership
TGWG	Tomintoul and Glenlivet Wildlife Group
THC	The Highland Council

### Other abbreviations:

Flood Risk Assessment
Habitats Regulations Assessment
Local Development Plan
Natural flood management
Strategic Environmental Assessment
Waste Water Treatment Works

# **SECTION 2: DELIVERY PRIORITIES**

# **DELIVERY PRIORITIES FOR 2017/18**

## TABLE I.I: DELIVERY PRIORITIES FOR 2017/18

Action	Lead Agency	Other Partners	Progress
Continue to work with landowners, agent, The Highland Council and community of Aviemore to prepare non-statutory guidance for the development of Highland Resort site	CNPA	Landowners, THC and Aviemore Community Council	Development Brief approved for adoption in April 2018.
Use HNDA's, Housing Strategies and local housing needs surveys to identify local housing need and demand requirements	CNPA	LAs, Developers, Communities, Estate Agents	Housing evidence base has been updated to inform the Main Issues Report for the next LDP. Further work undertaken through the analysis of consultation responses and will inform the Proposed LDP.
Prepare advice on LDP developer obligations policy (to provide more clarity to officers and developers on where developer obligations will / will not be required)	CNPA	LA's, NHS	Detailed evidence gathering on the requirements for obligations towards education and health care across the Park has been undertaken and is being used internally.

TABLE I.I: DELIVERY PRIORITIES FOR 2017/18						
Action	Lead Agency	Other Partners	Progress			
Develop further materials to raise awareness, understanding and expectations of good design in the Park (building on the success of the Design Awards 2016 competition)	CNPA		Case studies of good design within the Park made available on CNPA website via new 'storymap' mapping system. This system can be maintained and updated with new examples of good practice as they emerge. The images from the design awards have also been used in promotional material about the National Park and the planning system.			
> Review Action Programme	CNPA	All partners	Undertaken annually			

# **DELIVERY PRIORITIES FOR 2018/19**

TABLE I.2: DELIVERY PRIORITIES FOR 2018/19			
Action	Lead Agency	Other Partners	Timescale
Simplify mechanisms for securing planning obligations and reduce need for planning agreements.	CNPA	LA's	2018/19
Establishing simpler, cheaper and faster ways of securing necessary planning obligations.			
Develop and deliver a schools engagement / involvement programme	CNPA / Local Schools		2018/19
As part of the CNPA's approach to involving young people during the year of young people.			
Plan and deliver workshop on natural heritage with SNH, SEPA and Local Authorities	CNPA	SNH, SEPA and LA's	2018/19
Sharing good practice and ensuring consistent application of policy and practice across the National Park.			
Increase participation and engagement in the consultation on the proposed Local Development Plan	CNPA	VABS, Marr Area Partnership, Planning Reps Network and local communities.	2018/19
Using what we have learnt from recent consultations to increase informed comment on important issues.			
> Undertake Town Centre Health checks	CNPA		2019
> Review Action Programme	CNPA		2019

# **SECTION 3: NATIONAL PROJECTS**

ATIONAL PROJECTO

Proposal	Description	Timescale	Lead Agency	Other Partners	Notes
A9 Dualling	<ul> <li>Transport Scotland is taking forward design and construction of the A9 Dualling between Perth and Inverness.</li> <li>The project is being developed with a view to completing the overall dualling to:</li> <li>improve the operational performance of the A9 by reducing journey times and improving journey time reliability</li> <li>improve safety for motorised and non-motorised users by reducing accident severity and reducing driver stress</li> <li>facilitate active travel within the corridor, and</li> <li>improve integration with public transport facilities.</li> </ul>	Ву 2025	Transport Scotland		The Scottish Ministers have committed to completing the dualling by 2025. Construction of the section between Kincraig and Dalraddy was completed in 2017 and construction of the section between Luncarty and Pass of Birnam is due to start later in 2017. Information about the programme is available on Transport Scotland's web site at <u>https://www.transport.gov.scot/projects/ac</u> -dualling-perth-to-inverness/ CNPA has created an internal project to ensure coordination of National Park Authority input.

Proposal	Description	Timescale	Lead Agency	Other Partners	Notes
Highland Mainline Rail improvements	<ul> <li>Transport Scotland, on behalf of Scottish Ministers is working with Network Rail to develop phase two of the scheme which aims to deliver:</li> <li>an hourly service;</li> <li>average journey time reductions of around 10 minutes between Inverness and Perth extended to Edinburgh and Glasgow; and</li> <li>more efficient freight operations that better respond to the needs of customers.</li> </ul>	Ву 2019	Transport Scotland	Network Rail	The project is on schedule for completion by March 2019 and is currently at the design stage. Further information available at: <u>https://www.transport.gov.scot/projects/hig</u> <u>hland-main-line/highland-main-line/</u>

# TABLE 2: NATIONAL PROJECTS identified through the Scottish Government's National Planning Framework (NPF3).

			Lead	Other	rianning Framework (INFFS).
Proposal	Description	Timescale	Agency	Partners	Notes
Scottish Scenic Routes Initiative	• The <u>Scenic Routes Initiative</u> is a project involving the installation of sculptures along scenic tourist routes. A scenic route is identified along the A939 and A93 from Blairgowrie to Grantown-on-Spey.	2013 onwards	Scottish Government	CNPA	Three installations now open in 'Snow Roads' at Glenshee, Coragraff and Tomintoul. Cairngorms Business Partnership has secured funding from Scottish Enterprise for a two year £300k project to work with businesses and communities to develop the visitor experience along the route.
Digital Scotland Superfast Broadband (DSSB) Programme	<ul> <li>Development of a digital fibre infrastructure across Scotland that reaches 95% of premises.</li> <li>Further to this the Scottish Government has committed £600m to the R100 ('Reaching 100%') programme which aims to make superfast broadband (&gt;30Mbps) available to all premises in Scotland by 2021.</li> </ul>	End of March 2018	Scottish Government	UK Government , BT Openreach, HIE, LAs and National Parks	DSSB has been delivered on time and to budget, exceeding project targets for coverage. At end of 2017, 95.5% of premises (890,000) across Scotland had access to fibre broadband (target 95%). 92.7% of homes (712,000) are now connected to infrastructure giving speeds greater than 24mbps. The take up is 40.4% nationally, 15% above forecasted targets. All of the main settlements within the National Park are connected to Superfast Broadband infrastructure.
High Voltage Transmission Network	• Beauly – Denny replacement line	Line rationalisation scheme expected to be complete by end of summer 2017. Continued monitoring until 2020.	Scottish and Southern Energy		The main line now complete though the re-vegetation of two tacks is ongoing. Monitoring to ensure compliance with planning conditions for reinstatement of construction infrastructure (tracks) ongoing until 2020.

# TABLE 2: NATIONAL PROJECTS identified through the Scottish Government's National Planning Framework (NPF3).

# **SECTION 4: INFRASTRUCTURE DELIVERY AND OTHER PROJECTS**

The infrastructure projects which are needed to deliver the vision of the LDP and projects that will support it.

Settlement/ Project Name	Infrastructure/ Project Description	Status / Constraints	Timescale	Lead Agency	Other Partners
ANGUS					
River South Esk Catchment Partnership	A public/private partnership that encourages voluntary partnership working and to take forward key actions from the South Esk Catchment Management Plan. Delivers projects to maintain, enhance and restore the catchment of the River South Esk with benefits for species, habitats, people, business and climate change adaptation. Further details of projects delivered to date can be found at: <u>http://theriversouthesk.org/</u>	<ul> <li>The River South Esk Catchment Management Plan (2009) has recently been reviewed and a new plan is to be developed and launched in 2018.</li> <li>Current and future projects include: <ul> <li>Invasive Non-Native Species control;</li> <li>Native tree expansion;</li> <li>Natural flood management;</li> <li>Climate change adaptation and community flooding resilience; and</li> <li>Working in partnership to deliver a wildlife tourism strategy for the area.</li> </ul> </li> </ul>	Ongoing	River South Esk Catchment Partnership	South Esk Fisheries Board Esk Rivers Fisheries Trust, Angus Council, SNH, SEPA, private sector representatives, RSPB, FCS, Montrose Port Authority, NFUS.

Development of 'Active Aviemore' Project	The Scottish Government has agreed to fund the construction of a new £13m hospital in Aviemore. CNPA has identified this investment as a catalyst to deliver other strategic developments including Active Aviemore. This project aims to improve Aviemore's walking and cycling infrastructure, promote active travel and enhance the integration of social and health care facilities.	Initial stage of the project will engage with the Aviemore community, identify opportunities /challenges, develop project partnerships, and deliver concept plans by June 2018. Fully costed phase 2 designs will be developed by end March 2019. Funding bids and phased construction from	2017 - 2020	CNPA	Aviemore Community Council, THC, Hitrans, NHS Highland, SUSTRANS,			
An Camas Mòr	<ul> <li>Development of a new community (1500 houses; associated business, community facilities and provision of infrastructure). Infrastructure required will include:</li> <li>Road infrastructure, access and connectivity;</li> <li>Servicing infrastructure e.g. water, waste water, electricity; and</li> <li>Natural heritage, landscape and recreation.</li> </ul>	2019 onwards. Application under Section 42 to vary condition 1 of Planning Permission in Principle (CNPA Ref 09/155/CP) recommended for approval in August 2017, subject to S75. Decision to be issued when S75 concluded.	2018 onwards	An Camas Mòr LLP/THC/ Aviemore Community Council	CNPA SNH

# SECTION 5: DELIVERY OF LOCAL DEVELOPMENT PLAN POLICY FRAMEWORK

The work that is needed to ensure the policy framework of the LDP is delivered.

## TABLE 4: DELIVERY OF LOCAL DEVELOPMENT PLAN POLICY FRAMEWORK

Policy	Timescale	Description	Lead Agency	Other Partners	Notes
All policies	2015 on	Publish annual LDP monitoring and review report. Prepare additional non-statutory guidance if required.	CNPA		Published annually.
New Housing Development	2016/17	Undertake review of LDP allocated sites, consents and land supply effectiveness and constraints with developers/land owners.	CNPA	Developers and Landowners, THC, Communities, Estate Agents	lnitial review undertaken – will be kept under review.
	Ongoing	Undertake detailed community-based assessments of housing needs as appropriate where communities have developed structures to take forward.	Housing Enabling Organisation	CNPA, Las, Community Groups	Community walkrounds undertaken to identify potential sites that could be taken forward for community owned / managed housing. Work ongoing.

Policy	Timescale	Description	Lead Agency	Other Partners	Notes
New Housing Development	Ongoing	Assist communities actively looking for 'self- help' solutions and work with these communities to help deliver specific projects.	Community support organisations	CNPA, LAs, Housing Enabling Orgs, Developers, Landowners,	Community walkrounds undertaken to identify potential sites that could be taken forward for community owned / managed housing. Work ongoing.
	2015 on	Build the case for more investment in Affordable Housing within the National Park as part of development of National Park Partnership Plan.	CNPA and LAs	Developers, communities	New targets for affordable housing set out in the approved NPPP 2017. To be delivered through next LDP.
	2016/17	Undertake a search for and review of potential sites for 100% affordable housing and affordable housing through cross-subsidy.	CNPA	LAs, Housing Enabling Orgs, Developers, Landowners, Communities	Community walkrounds undertaken to identify potential sites that could be taken forward for community owned / managed housing. Work ongoing.

Policy	Timescale	Description	Lead Agency	Other Partners	Notes
Supporting Economic Growth	2015 on	Review demand and supply for business land and units within the National Park.	CNPA	LAs, CBP	Additional detail on available business land supply included in this report.
	2015 on	Identify potential speculative business sites for next LDP.	CNPA	LAs, HIE, Developers, Landowners, CBP	'Call for Sites and ideas' undertaken to inform next LDP. A number of preferred business sites identified for inclusion in Proposed LDP.
	2015 on	Implement Cairngorms Economic Strategy.	CNPA	LAs, HIE, Developers, Landowners, CBP, Communities	In progress/ ongoing. Review of Economic Strategy also being undertaken.
	2015 on	Review Town Centre Health Checks.	CNPA		Undertaken every 2 years. Will be carried out in July 2018.

Policy	Timescale	Description	Lead Agency	Other Partners	Notes
Sustainable Design	2016	Hold Design Awards and promote good practice through case studies.	CNPA	LA's, Developers, Communities	Awards undertaken in 2016. Further initiatives to promote good design in the National Park to continue to be progressed in 2018/19.
Natural Heritage	2015 on	<ul> <li>The Capercaillie Framework project is based around the following objectives:</li> <li>To build support for capercaillie conservation, helping people to understand and value their natural heritage, the benefits it can bring and how their actions can affect it;</li> <li>To work with communities in the National Park to develop sustainable approaches to recreation, meeting residents' and visitors' needs whilst minimising impact on capercaillie; and</li> <li>To develop a programme of conservation action including habitat expansion and improvement to support the long-term survival of the species.</li> </ul>	CNPA	SNH, RSPB, FCS Landowners	HLF bid approved for 5 year project funding. This will comprise an 18 month Development phase and 3.5 year Delivery phase.

TABLE 4: DELIVERY OF LOCAL DEVELOPMENT PLAN POLICY FRAMEWORK					
Policy	Timescale	Description	Lead Agency	Other Partners	Notes
	2015 on	Identify phosphate thresholds for freshwater pearl mussels in river SACs. Adopt thresholds in management of water abstraction, waste water discharge through licensing and regulations.	Scottish Government, SNH, SEPA	CNPA, Scottish Water	Ongoing discussions at UK level so status for Scotland yet to be confirmed.
Landscape	Ongoing	Promote Landscape Toolkit for the Park.	CNPA		Ongoing
Siting & Design of Digital	Ongoing	Monitor consents and development on the ground	CNPA		Ongoing
Communications Equipment		Promote Landscape Toolkit for the Park to developers	CNPA	Mobile operators, Community Broadband Scotland	
Renewable Energy	2015 on	Monitor consents and development on the ground	CNPA		Ongoing

TABLE 4: DELIVERY OF LOCAL DEVELOPMENT PLAN POLICY FRAMEWORK					
Policy	Timescale	Description	Lead Agency	Other Partners	Notes
Cultural Heritage	2015 on	Review of conservation areas and identify any new conservation areas are required	CNPA	LAs	Focus on Highland and Moray areas. Work currently underway as part of a community led project to review the Grantown Conservation area.
Resources	2015 on	Identify land for active flood management and flood plain restoration	Catchment Management Partnerships	CNPA, SEPA, SNH	NPPP3 supports consideration of how natural flood management can be encouraged and supported.
Developer Contributions	2017/18	Produce Advice note on the application of developer contributions policy.	CNPA	LAs	Detailed evidence gathering on the requirements for obligations towards education and health care across the Park has been undertaken and is being used internally.
Community Information	2015 onwards	Support communities to achieve their community objectives through Community Action Planning and Community Plan Partnerships	CNPA		Ongoing

# **SECTION 6: MONITORING**

The routine monitoring of the LDP and Action Programme. This will be reported in the review of the Action Programme and other routine monitoring reports each year.

TABLE 5: MONITORING					
Action/Description	Timescale	Lead Agency	Other Partners	Notes	
Delivery of Action Programme	Annually	CNPA	LAs		
Use of Policies	Annually	CNPA	LAs	-	
Planning Permissions and Completions	Annually	CNPA	LAs		
Housing Land Supply & Effectiveness	Annually	CNPA	LAs		
Town Centre Health Checks	Annually	CNPA	LAs		
SEA - Monitor environmental effects of LDP	Annually	CNPA			
HRA – mitigation measures and effects on conservation objectives of European sites	Annually	CNPA			

# SECTION 7: DEVELOPMENT LAND SUPPLY

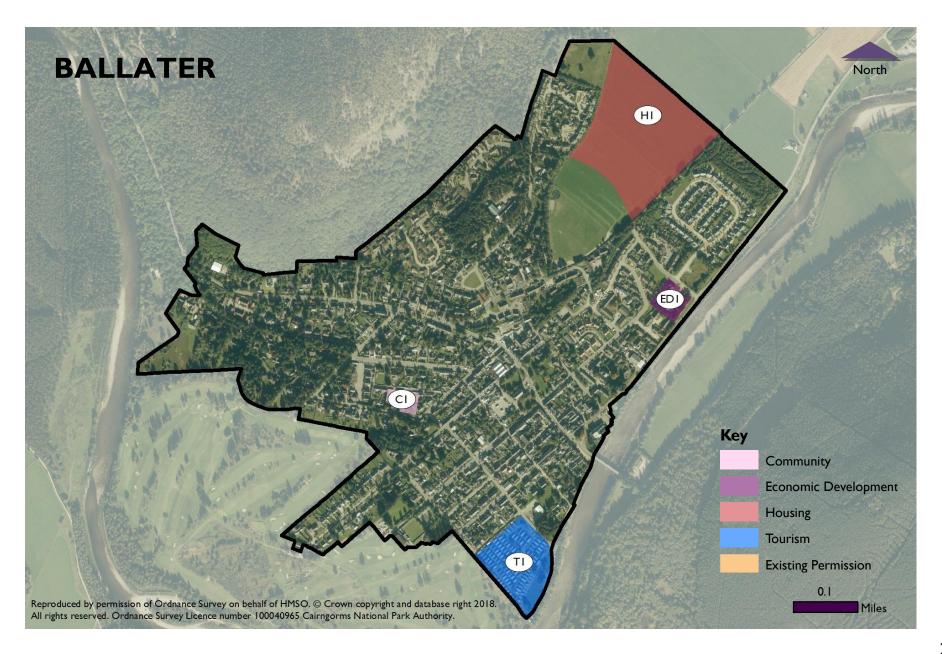

This section of the Action Programme is used to assess progress and identify constraints or barriers to development of land and sites for housing, employment and community or other uses. It is set out by settlement and includes 'anticipated infrastructure & affordable housing requirements' where known which apply at a settlement level as well as more detailed updates on a site by site basis.

This section includes all current allocations including housing, economic development, tourism and community. Existing permissions (identified as 'EP' sites) are also included however some sites have planning permission that has been granted over 3 years ago, however in many cases these have been implemented through the starting of construction or servicing of sites.

#### Infrastructure requirements

Each site has also been assessed in respect of flooding, roads, water & drainage, electricity and education under the infrastructure requirements heading. These have been informed through consultation with the relevant authorities and each site has been colour coded to reflect its level of constraint.

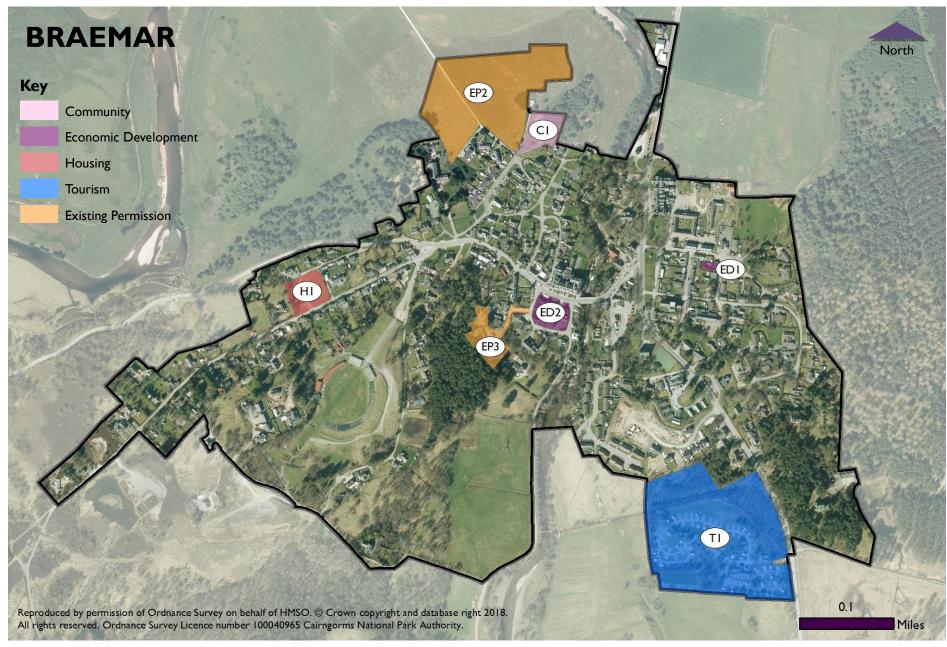

No significant infrastructure constraints affecting delivery of the site.
Moderate constraints or further assessment required to determine the
extent of constraint. Appropriate mitigation measures required.
Significant infrastructure or other constraints that will make the
development undeliverable.
