#### Prepared by: Alistair Highet, Finance Manager

#### Purpose

To present a summary review of income and expenditure for the 4 months to 31st July 2012 and a projection of the financial outcome for the year to 31<sup>st</sup> March 2013. Further, to report on Operational Plan net expenditure for the 4 months to 31<sup>st</sup> July 2012.

#### Recommendations

The Finance Committee is requested to:

- a) Note the results for the 4 month period to the end of July 2012 and the projected outcome for the 12 months to 31<sup>st</sup> March 2013.
- b) Note the further analysis of Operational Plan net expenditure by programme for the 4 months to 31st July 2012 and the projected outcome, by programme, for the year to 31<sup>st</sup> March 2013.

### **Executive Summary**

- b) The £32k overall net income variance is reflected in £21k of under spend on Core Operating Costs and £12k of additional Operational Plan income.
- c) The projected outcome for the year to 31<sup>st</sup> March 2012 is currently net income of £3k (0.1% of projected income).
- d) Table 2 details the 8 new Operational Plan programmes as defined by the 2012-15 CNPA Corporate Plan.
- e) The mid-year budget review in October 2012 will determine Programme budget requirements for the remainder of the 2012/13 financial year.

Table 2 - Net Operational Plan expenditure for the 4 months to 31st July 2012:

<u>Notes</u>

d) Operational Plans currently project an under spend of £130k. The 2012/13 mid-year budget review will further determine the budget requirements for each Programme and any adjustments will be reported to Finance Committee in due course.

e) The £130k of under spend in Programme 5 represents the early release of 2012/13 funds to COAT in March 2012. Funds were released to contribute to the early start of COAT's 2012 spring / summer business plan activity, particularly in relation to the Mountain Heritage project. The release of these funds in 2011/12 has effectively paid for the £127k over spend originally planned into 2012/13's draft budgets (see c) above).
