A journey should be requested by phoning Angus Council's Demand Responsive Transport Hotline number on 01307 461775 between the hours of 09:00 and 15:30, Monday to Friday. Bookings can be made up to one week in advance, but to ensure your seat is booked, please call us by 15:30 the day before you intend to travel. Where possible, journey requests for a Monday should be made by 15:30 on the previous Friday. Remember that if a journey or part of a journey is not requested, then it will not run.

Your pick-up time will be confirmed when you book your journey. Passengers are nevertheless asked to be ready at least 10 minutes before the time agreed. Whilst every effort is made to accommodate customer requests for pick-up times, calls are on a first come first served basis; your time may therefore need to be adjusted to fit into the daily travel schedule.

**Cairngorms Explorer
 2011/12**
 Travel without a car

One of the best ways to see the National Park is to get out of your car, slow the pace a little, and take in the outstanding scenery along one of our many paths. With over 500 miles of signed paths there is something for everyone. Many of the villages have path leaflets that will help you choose the best routes to follow. Look out for a leaflet like this where you're staying.

For those in search of a longer adventure the National Park includes parts of Speyside, Deeside, Dava and Badenoch Ways and the Cateran Trail in Glenshee.

The National Park is a great place to cycle. National Cycle Route 7, the quiet country roads and forest tracks make it fairly easy to plan cycle journeys. If you want local advice ask in the nearest bike shop. Bike hire is available in most of the larger towns in the area.
