# Environmental Report on the Core Paths Plan **Draft**

## How to Comment

The Strategic Environmental Assessment (SEA) Environmental Report is published alongside the Draft Core Paths Plan for use during a public consultation period which runs for three months to 30 June 2008. The Report assesses the potential environmental effects that the Draft Core Paths Plan may have on the environment.

Comments on the Environmental Report and Draft Core Paths Plan are requested at any time before 30 June 2008. A form for commenting on the Draft Core Paths Plan can be found inside the front cover of that document. There is no comment form for this Environmental Report, any comments you may have on the report should be sent to:
