Carr-Bridge

The map on the opposite page shows the proposed core paths network for the area around Carr-Bridge. The paths proposed within this area have been chosen as they best fit with the objectives of the Core Paths Plan. There are good links to other communities via the existing Sustrans cycle path (LBS53), which also caters for a number of activities such as horse riding and cycling. Ellan Wood, Baddengorm Wood and Carr Plantation provide for a wide range of abilities and activities and are important places of interest for visitors and residents alike.
