

Cairngorms National Park Design Awards 2012

Terms and Conditions

- The nominated development/scheme must be located within the Cairngorms National Park.
- The nominated development/scheme should have been completed since 2003.
- The nominated development/scheme must be completed and not just at the design stage.
- Where planning permission was required and obtained for a nominated development/scheme, there must be no outstanding monitoring and enforcement issues in relation to the implementation of the development, including adherence to approved drawings and compliance with all of the conditions attached to the consent.
- Entries can be submitted by anyone who thinks a scheme is worthy of an award, including owners, architects, designers, developers, builders, community councils, amenity groups or any member of the public. Note – the consent of the owner must be obtained before an entry is made. Entries cannot be accepted from CNPA officers/board members, their immediate families, or for buildings in their ownership.
- There is no charge for entering the awards.
- The closing date is 31 July 2012.
