

Cairngorms National Park Design Awards 2012

How to Enter

Please fill in the form below (please use extra sheets if necessary), and then send it to us, along with the associated information required, either via email to

designawards@cairngorms.co.uk or on a CD rom to the following address:

Cairngorms National Park Design Awards
FREEPOST (RSHS-BHKL-KXHS)
Cairngorms National Park Authority
Albert Memorial Hall
Station Square
Ballater
AB35 5QB

All entries must be received by the 31 July 2012.

Name of project	
Architect/designer of the project	
Contractors involved in the project	
Location of the project, including a grid reference	
Area covered by the project (for example internal floor space if project is a building)	
SAP rating of building (if applicable/known)	
Total cost of project (if known)	
Your name, address, contact details (including email address and phone number) and your relationship to the building being nominated. If you are not the owner of the building, please include permission from the owner for it to be entered into the awards.	

Cairngorms National Park Design Awards 2012

Please also send us the following:

- Maximum of 3 drawings / sketches that best show the design of the project
- Maximum of 5 photos of the project – must include photo of the completed project, and a photo showing how the development relates to its surroundings, but can also include photos of work in progress (JPEG images at 300 DPI).
- Brief statement setting out the key features of the design and how it meets the awards criteria (maximum 2 sides A4 as a WORD.doc format file):
 - use of locally available/sourced materials;
 - use of local people in the design and construction of the development;
 - how environmentally friendly it is;
 - how it contributes to the special place that is the Cairngorms National Park;
 - how it relates to what is around it, whether that be other buildings, or the wider landscape - its relationship with its surroundings;
 - how well it makes use of existing material on the site, or reuses material from elsewhere maintaining or reuse of resources;
 - creativity and innovation – not an off-the-shelf solution, but one which makes the most of its individual location;
 - affordability.
