Comments Details

Commenter Type:	Member of Public
Stance:	Customer made comments neither objecting to or supporting the Planning Application
Reasons for comment:	
Comments:	Hello. This is a neutral enquiry. Please can someone direct me to the detailed ecological (flora and fauna) survey for this site given the prevalence of bats that other local residents have mentioned previously. How can an application be received by the planning department on a Saturday and processed that day if offices are closed, especially when close to the date the PIP was expiring? Many thanks.

Kind regards
