Subject: 2025/0242/DET - Invercauld Caravan Park, Braemar

Categories: Katie, Consultation Response

Dear Sirs,

I write in response to your correspondence dated 30th September advising of the above application being called-in by CNPA.

The next meeting of Braemar Community Council (BCC) falls outwith the 14 day period preferred for responses; however, members are aware of the application and were informed of it prior to submission.

Following consultation of members of BCC, I can confirm we are supportive of the principle of the proposed development as it is considered it will add to the accommodation offer available within the village which is highly reliant on tourism.

Yours faithfully,

Calum Innes
Secretary for Braemar Community Council
