Subject:APP/2021/1044-erection of 15 dwellinghouses at Kindrochit Court, Braemar.

Good evening,

Re the above planning application, I wish to express my concern as to how emergency services, doctors, postmen, delivery drivers and home owners are going to gain access to their properties, as the current plans appear to show a bollard blocking the road down to these properties.

How will this work?? Will a key be given to the homeowners that reside on this part of Mar Road?

This has been a main route access for over 30 years and worked very well and I am hoping it will continue to in the future. Are there any other ideas that could be put in place or is this a definite plan?

I believe the planning officer for this application is Stephanie Wade and she is more than welcome to call me on [REDACTED]

I look forward to hearing from you.

Kind regards,

Fiona Gray.
