Subject: Lion's Face Quarry Braemar 2021/0258/DET

Good Morning Gavin

Proposed development at Lion's Face Quarry Braemar

I appreciate that it may be too late to have this e-mail taken into consideration by the Planning Committee nonetheless, at last night's meeting of the Braemar Community Council, it was agreed that I should write to you in support of Invercauld Estate's planning application, reference 2021/0258/DET, which has been called in by the CNPA.

The Lion's Face Quarry is an area which would benefit from development and the proposal would provide some much needed commercial units for the village.

We would encourage the committee to find in favour of this application.

Best wishes

Brian
