

Cairngorms Economic Development Diversification Strategy

Draft for public comment

Comments Form

Mon 24 Feb - Friday 4 April 2014

■ Introduction

Local businesses have come together with the public sector to form this Forum which is working to develop and implement an **Economic Development and Diversification Strategy** for the National Park.

This Strategy will identify key priorities for economic growth in the area, the actions that must be delivered to make this happen, and who needs to be involved. This is your chance to comment on the seven priorities and associated actions.

■ How to make a comment

- Complete this form (please use extra sheets if necessary) and return to:
