

STANDING ORDERS FOR MEETINGS OF THE CAIRNGORMS NATIONAL PARK AUTHORITY

1. The Cairngorms National Park Authority (referred to as “the Board” in the rest of this document) was established on 25 March 2003 by the Cairngorms National Park Designation, Transitional and Consequential Provisions (Scotland) Order 2003, which in turn was made under the National Parks (Scotland) Act 2000. Under paragraph 19 of schedule 1 of that Act, the National Park authority may determine its own procedure.
2. This paper sets out the procedures which apply to meetings of the Board and of its committees. These standing orders are in addition to any requirements set out in the Act and in the founding designation order, and any further Acts of Parliament or guidance from Scottish Ministers.

NPA Membership

3. The NPA board comprises 19 members as prescribed in the Designation Order. The 19 is made up of 5 members directly elected in accordance with the Cairngorms National Park Elections (Scotland) Order 2003; 7 members directly appointed by Scottish Ministers and 7 appointed by Scottish Ministers on the nomination of the relevant Local Authorities. All members are appointed or elected on an individual basis, and not as representatives of organisations. Duration of appointments is as set out in a Member’s letter of appointment, and in the case of elected Members is until the next NPA election.

Convenor and Deputy Convenor

4. In accordance with schedule 1, paragraph 11, of the Act, the board elects the Convenor and Deputy Convenor from among its number. At the second-last CNPA meeting before the term of office of a current Convenor expires, election of the next Convenor shall take place. The process of election for Convenor shall be conducted by the proper officer. The process of election will be as follows:
 - a) The proper officer will seek nominations from members of the NPA at the meeting. Any member may propose another NPA member as Convenor, and a third member must second the nomination for it to be valid.
 - b) Each candidate who has a valid nomination will be asked if they wish to make a short statement to the meeting.
 - c) Members who are absent from the meeting may be put forward for election, nominate or second a candidate, provided they have made appropriate,

signed written statements prior to the meeting to the proper officer their consent to being nominated. A statement by a candidate who is unable to be present at the meeting may be circulated at the meeting.

- d) Election will be by absolute majority, as follows:
- i. Members may only cast one vote in each round of voting;
 - ii. Only Members who are present may vote;
 - iii. Once the first set of votes has been cast, the candidate with the lowest number of votes will be excluded;
 - iv. A fresh vote will be taken on the remaining candidates where again each member can only cast one vote for the candidate of their choice; again the candidate with the lowest number of votes will be excluded.
 - v. This process will continue until one candidate emerges with an absolute majority of the votes cast by those members present and voting.
 - vi. Where there is an equality of votes among those candidate who have least votes, then a decision on who is to be excluded will be determined by lot.
 - vii. If it is the case that there is only one candidate for either position, then that person will be declared elected.
 - viii. Voting will be by secret ballot.

5. The duration of the office of Convenor and Deputy Convenor will be 3 years (unless the member concerned ceases to be a Member of the NPA, or resigns from the position of Convenor/Deputy Convenor before the end of the period).
6. For cases in which a Convenor/Deputy Convenor resigns or ceases to be a Member, the election process will apply as the first item of business at the next board meeting following the vacancy arising.
7. The above process in paragraphs 4-5 will also apply to the election of Deputy Convenor, which shall take place after the election of Convenor if both posts are to be decided at the same meeting.

Quorum

8. The quorum of the NPA board will be half of its total number plus one - in other words, 10 Members. This will apply regardless of vacancies in membership. No business will be transacted at a board meeting unless a quorum is present. If the Convenor of the meeting finds during a board meeting that the number of members present has reduced below the quorum, the meeting shall end at that point. All attendance and absences shall be recorded in the minutes of the meeting. The quorum for committees will be as agreed for each committee individually.

9. Participation will normally be in person, but may exceptionally (with agreement of the Convenor of the meeting) be by telephone or video-conference provided the Member's contribution is fully accessible to all members and public attending the meeting. In these cases, such members will be deemed to be present and constitute part of the board for the purpose of the meeting.
10. People who are not members of the NPA board may be invited by the Convenor to attend and speak for all or part of the meeting, but they will not be entitled to vote.

Schedule of Meetings

11. The board shall approve in advance of each calendar year a provisional set of dates and venues for its board meetings. The schedule will be published on the CNPA website, and posted up in the reception area of the CNPA offices, and will be notified to the five local authorities with part of their area within the Park.
12. The Convenor may convene a special meeting of the board when it appears that an item of business requires urgent attention. In the absence of the Convenor, such a meeting may be convened by the Deputy Convenor. Any member may request that such a meeting be called, but the final decision rests with the Convenor (or Deputy Convenor in the absence of the Convenor) unless the request is made to the proper officer by at least 10 members in which case the meeting must be called within 21 days of receipt of the request.
13. The Chief Executive is responsible for overall organisation, management and staffing of the NPA. It is the responsibility of the Chief Executive to advise the board on matters of financial propriety and regularity. The Chief Executive shall have the right to attend and speak at all Board meetings and Committee meetings (albeit without voting rights), except for parts of meetings when agreed by Board Members that the matters under discussion should involve Members only, for example where performance, remuneration or conduct of the Chief Executive is under discussion.

Public Attendance at Meetings

14. The National Parks Scotland Act (Schedule 2, paragraph 12) provides that access to meetings and documents of the NPA board are covered by the provisions of Part IIIA of the Local Government (Scotland) Act 1973. In broad terms this means that meetings of the CNPA board are to be open to the public, unless there are good reasons to the contrary (such as breach of an obligation of confidence, or a confidential staffing matter). Annex 1 to these standing orders sets out more detail.

15. The Proper Officer for the CNPA is appointed by the board (as required under the terms of the National Parks (Scotland) Act 2000) and is charged with ensuring the application of the provisions outlined in paragraph 14 above about public access to meetings. The Proper Officer advises on the issues that arise, such as exclusion of papers from public inspection, for example, if it is decided this relates to an item likely to be taken in private session.
16. The venues for board meetings will be decided by the Convenor in discussion with the Deputy Convenor and Chief Executive, ensuring good access by the public of all abilities.

Board Papers

17. Board papers will be prepared by CNPA officials, and considered and approved by the Chief Executive prior to submission to the board. The CNPA's policy will be to circulate papers to Members 7 clear days in advance of a meeting. As required through statutory provisions in the National Parks (Scotland) Act, copies of the papers will be sent to the five local authorities with part of their area within the Park. Papers will be available for public inspection at all the offices of the CNPA. Papers will also be sent to the sponsor division of the Scottish Government, and will be made available on the CNPA website. The CNPA will strive to ensure the papers of the board and its committees are made as readily available as possible to members of the public, but commensurate with the need to make prudent use of resources. Methods of ensuring this will be kept under review, but is likely to mean, for example, that staff will not be required to send out copies of papers on request except in exceptional circumstance. Copies of papers will be available at board meetings and committee meetings to members of the public who attend. Copies of board papers will be available on the CNPA's website as soon as they have been circulated to Members.

Members' Issues and Questions at Board Meetings

18. Each board meeting will take an item at the end of the agenda of **Any Other Competent Business** under which a member may raise an issue if they consider the matter is of significant interest and relevance to the Board as a whole. In keeping with the rules on openness and transparency, this may only draw attention of Members to an issue and may lead to its addition to a future agenda. Such issues/questions must be notified to the Convenor in advance of the meeting— it will not always be practical for Members to do so in writing, but advance notice should be given orally to the Convenor before the start of the meeting, unless the matter is

one which has arisen during the course of the meeting. It is clearly in the interests of efficient use of everyone's time that Members use this item with discretion. On questions of order, including whether an item is considered "competent" the Convenor's ruling will be final.

Convening Meetings

19. At a meeting of the NPA board, the Convenor will preside. In his/her absence the Deputy Convenor will preside. If neither is able to be present, the Convenor will indicate which other member should preside. If no advice from the Convenor is available, Board Members present will choose by majority vote of those present, that one of their number will preside.
20. Planning Committees will be convened by the person agreed by the whole NPA board as the Convenor of the Planning Committee; and in his/her absence, by the Deputy Convenor who is also agreed by the whole board. **In the absence of both of these individuals, the members of the Planning Committee shall use paragraph 19 of the Board Standing Orders in determining who shall convene the meeting.**
21. The Convenor of a Board meeting or Committee meeting will preserve order; determine all matters of order, competency and relevancy; and will ensure members have sufficient opportunity to express their views on any matter under consideration.

Board Decisions

22. Decisions of the board will generally be by consensus of attending members. A member departing early will be treated as a non-attending member for the purpose of any decision taken after the time of departure. A board member may have his/her dissent recorded to a decision of the Board provided he/she has attended for the whole of the discussion and decision, and asks to record his/her dissent immediately after the decision is concluded.
23. Written comments on agenda items submitted by board members who are not attending will be circulated to Board Members, and will be read into the record of the meeting by the Convenor.
24. Exceptionally, if a Board decision is required urgently and it is not possible to convene a meeting, the matter will be dealt with through correspondence. The decision to do this will be made by the Convenor or Deputy Convenor. In such

circumstances, views will be sent to the Convenor (or Deputy Convenor, as appropriate). The decision will be ratified at the next board meeting.

25. At board meetings, where a decision is necessary it will be reached by simple majority following a vote (with the Convenor having the casting vote in cases of a tied vote) on the following occasions:
 - a) when the Convenor detects that there is a body of opinion among members who either disagree with a proposal or have expressed reservations about it and no clear consensus has emerged;
 - b) when a member requests a vote to be taken and this is supported by another member in attendance;
 - c) any other circumstances where at the Convenor's discretion it is felt that a decision should be preceded by a vote.
26. Only attending members will be able to vote, and generally this will be done by a show of hands. At the Convenor's discretion, this can be conducted through a secret ballot. In such circumstances the Convenor will arrange for officers to issue and collect ballot papers, count the vote, and announce the result to the board.
27. A decision made by the Board will not generally be reconsidered by the board within 6 months of that decision being carried, except in exceptional circumstances and with the agreement of the board.

Declaration of Interests

28. The NPA holds a register of Members' interests, available for public inspection. The rules on registration and declaration of interests are set out in the Members' Code of Conduct.

Personal Liability of Members

29. As set out in the Model Code of Conduct for Members, if an individual Board Member incurs a civil liability in the course of carrying out his/her responsibilities for the Board, that Member will not be required to personally pay that liability provided he/she acted honestly and in good faith. This indemnity does not, however, protect a Member who acts recklessly or in bad faith.

Corporate Responsibility and Confidentiality

30. Board Members share corporate responsibility for decisions taken by the Board as a whole. Members must therefore either accept and publicly support the collective

decision of the Board or resign. Members must respect the confidentiality of sensitive information held by the organisation, as well as the discussions and papers taken in private session.

Board Minutes

31. The Chief Executive is responsible for putting in place appropriate arrangements for taking minutes of all Board and Committee meetings. Taken in conjunction with the papers presented to the meeting, the minutes should provide a correct record of the meeting and the decisions reached, and sufficient detail to indicate the issues discussed in reaching those decisions.
32. Minutes should include the action points agreed at the meeting, and these carried forward to following meetings until discharged.
33. Draft minutes will be approved by the Chief Executive and the Convenor of the meeting, marked clearly as “unapproved”, and circulated to Members, who can propose amendments in writing or raise these at the next board meeting. The Convenor, Deputy Convenor and Chief Executive will arbitrate over matters of dissent.
34. Minutes will be approved at the following meeting, and signed by the Convenor as a correct record (subject to any amendments agreed). Approved minutes will be put on the CNPA website.
35. With reference to paragraph 13, the Convenor is responsible for making arrangements to have appropriate minutes taken of any meeting or part meeting where the Board has agreed that only members should be present.

Committees

36. In accordance with Schedule 1 paragraph 17 of the Act, The Board may establish Committees, and may appoint onto those Committees people who are not NPA board members, but a majority of Committee members must be NPA board members. The board may delegate functions and decisions to Committees, or to officers of the CNPA. The board shall decide the remit and membership of committees. Committees shall report direct to the board. Committees, other than Planning Committee provided for at paragraph 20, shall appoint a Convenor at their first meeting following agreement of their membership by the Board, from among the membership agreed by the Board. **Committee Convenors must be CNPA Board members.**

37. These standing orders shall apply to each Committee of the Board unless a Committee adopts its own standing orders, in which case they must be endorsed by the whole Board. The Planning Committee in particular will be expected to have its own standing orders covering issues which arise only in the context of determining planning applications (such as dealing with representations by applicants, management of site visits, etc).
38. Agendas and minutes of all committee meetings will be sent to all members of the Board.

Delegation of Functions

39. As set out in Schedule I of The Act, the Board may delegate authority (generally or specifically) to Committees of the Board, to staff, or to any of its Members.

Suspension and Amendments of Standing Orders

40. These standing orders may be suspended, varied, revoked or added to only by the NPA board, and any such alterations will require the consent of 10 members. Notice of the intention to bring forward proposed amendments to standing orders must be signified at the previous board meeting. Notwithstanding this provision, no standing order may be suspended or amended if this would contravene any statutory provision or direction made by Scottish Ministers.

Other Provisions which together with these standing orders, provide for the conduct of NPA board meetings

 6. An item of business may not be considered at a meeting unless the report (assuming it is open to the public) has been available for public inspection as set out above, or If there are special circumstances (to be specified in the minutes) which lead the Convenor to the view that the item must be considered as a matter of urgency.
