**Q22 A)** How much new housing do we need and where should it be built? Do you agree with our proposed Housing Supply Targets for the next Local Development Plan?

**No**

---

**Q23** Do you agree that the proposed Housing Land Requirements are sufficiently generous?

**Yes**

---

**Q24** Do you agree with our overall conclusions about the need for additional new housing sites in the new Local Development Plan?

**No**

---

**Q25** Please explain your answers here:

As a national park, which should be a place of beauty, all development should be kept to a minimum to meet local needs. I feel that a lot of the housing plans are to attract construction firms to maximize profits. A much better plan in some cases would be to make some sites available for self-builds.

---

**Q26 B)** Housing growth in Aviemore Do you agree that we should include long-term development land in the Local Development Plan which could be released for development in the event that An Camas Mòr does not progress as envisaged?

**Yes**

---

**Q27** Please explain your answer here:

An Camas More would be a blot on a beautiful landscape. Aviemore could already be described as the same so keep development there.

---

**Q28** What would you like to do next?

**I have finished with the consultation**
