MAIN ISSUES REPORT
PROPOSAL THC001 VILLAGE OF INSH

We write in support of the above proposal.

There should be more houses for local people and not villages made up of holiday homes. We very much feel that a couple who have lived and worked around Kingussie for the last 40 years and who own a brownfield site next to the boundary of Insh should be allowed to build a retirement home for themselves.

We have viewed the site which is just a clearing since the pylon has been removed and the access is clear of trees also. The mains water and sewage run along the roadside and so no septic tank would be required.

There are already 3 houses outwith Insh Boundary and we fully support the boundary being extended to include this proposal.

Yours sincerely,

JUDY & JULES BUCKINGHAM
