Page 6: Main Policy Issue 1: Over-arching development strategy

Q11 Do you agree that the overall development strategy of the current Local Development Plan remains appropriate, and that we should use this as the basis for the next Local Development Plan? **No**

Q12 Please explain your answer here:

The LDP is wholly inadequate to tackle the environmental, social and economic issues we face.

Q13 What would you like to do next?

Answer questions on another main policy issue

Page 7: Main Policy Issue 2: Designing great places

Q14 Do you agree that the new Local Development Plan should include a new policy requiring development proposals to show how they meet the six qualities of successful places? **Yes**

Q15 Do you agree that we should include a clearer policy in the new Local Development Plan to set out when tools such as master plans and development briefs will be used? **Yes**

Q16 Please explain your answers here:

All new developments should be obliged to meet the highest standards of resource use and energy efficiency.

Q17 What would you like to do next?

Q22 A) How much new housing do we need and where should it be built? Do you agree with our proposed Housing Supply Targets for the next Local Development Plan? **Yes**

Q23 Do you agree that the proposed Housing Land Requirements are sufficiently generous? **Yes**

Q24 Do you agree with our overall conclusions about the need for additional new housing sites in the new Local Development Plan? **Yes**

Q25 Please explain your answers here:

Targets seem reasonable, allocation seems overly generous. Key issue is to ensure homes are for local people to live in not for people or businesses to buy as second/holiday homes.

Q26 B) Housing growth in Aviemore Do you agree that we should include long-term development land in the Local Development Plan which could be released for development in the event that An Camas Mòr does not progress as envisaged? **Yes**

Q27 Please explain your answer here:

This should extra land should be kept in reserve. This would be prudent and give authorities flexibility and negotiating capital with the Grants.

Q28 What would you like to do next?

Answer questions on another main policy issue

Page 10: Main Policy Issue 5: The affordability of housing

Q29 Do you agree that we should increase the affordable housing requirement to 35% in Ballater and Braemar, and to 45% in Aviemore and Blair Atholl? **Yes**

Q30 Do you agree that we should include policies to require a greater mix of house types and sizes, including more smaller homes? **Yes**

Q31 Please explain your answers here:

Affordability is a key issue, but must be coupled with policies to ensure homes are for local people to live in, and not as second/holiday homes.

Q32 What would you like to do next? **Answer questions on another main policy issue**

More needs to be done to balance caper conservation and human use of the landscape.

Q38 What would you like to do next? **Answer questions on another main policy issue**

Page 13: Main Policy Issue 8: Planning obligations

Q39 Do you agree that the new Local Development Plan should include a revised and more rigorously justified policy on planning obligations? **Yes**

Q40 Do you agree that this should be supported by more specific guidance in the plan about what planning obligations will be required in different settlements/locations? **Yes**

Q41 Please explain your answers here:

Planning obligations should be more rigorous in their requirements for resource and energy efficiency and to minimise environmental impact, while providing pleasant homes and business spaces. These also need to be rigorously policed and enforced. Developers must be help to account for breaches!
