Dear Sirs

I refer to the Cairngorms National Park Local Development Plan 2020 Post Main Issues Report: New Sites Consultation 13 August 2018 – 21 September 2018, in particular, the item described in the Subject banner above.

Being an owner and resident of the Lochan Mor development, I am particularly concerned about this proposed development.

I understand that you have received a letter, by email, from the Property Managers of this estate clearly expressing opposition to this proposal for the reasons detailed therein.

I wish to state my complete agreement with the content of this letter and would ask that you note my disapproval to any present or future change to the use of this open space.

Yours faithfully,

Brian R Doughty
