Subject: Objections to development of land at Spaven Drive, Aviemore

Sensitivity: Normal

I am writing to you to express my objection to the proposed development of the land located on Spaven Drive.

As a resident at Lochan Mor, I would like to highlight that we paid £500 per property towards this open space.

There does not appear to be any desire for a community hall. Can you advise where the claimed desire for this arises from?

The open space is well used by the local residents and it would be completely unfair to take this from us. We have a right to continue exercising on this space and for our children to play there. There is no suitable large space alternative for the children to play in the area.

Please confirm receipt of this e-mail and knowledge my objections

Many Thanks

Craig
