---

I wish to express my objection to the proposed development of the land located on Frank Spaven Drive.

As a homeowner and resident of Lochan Mor, I would like to highlight that we paid £500 per property towards this open space which now appears to be in jeopardy.

There does not appear to be a need for a community hall from local residents. Can you advise where the claimed desire for this arises from? There are already other under utilised facilities in the area.

The open space is well used by many local residents and it would be unacceptable to take this away. We have a right to continue exercising on this space and for our children to play there. There is no suitable large space alternative for the children to play in the area.

Please confirm receipt of this e-mail and acknowledge my objections

Many Thanks

Anona Johnstone
