Partnership Plan Policy 3.1 and Priority 7

---

**Q10** What is your comment on this section of the Plan? (Your comment should not exceed 2,000 words)

The housing policy in relation to second homes seems to lack any real commitment. Increasing the proportion of affordable homes doesn't seem to tackle the issue as these homes can be bought and turned into holiday homes. Several of the new homes in Braemar are already being advertised as holiday homes. If this issue isn't addressed robustly then more and more land will need to be turned into housing to allow those who live and work in the area any hope of buying their own home. The increase in holiday homes will also lead to towns and villages becoming empty in the holiday off season, as is happening in Cornwall, and the loss of communities.

---

**Q11** Please state clearly what change/s you wish to see made to the Plan to address your comment.(Your comment should not exceed 2,000 words)

A more robust policy for managing second homes such as allowing only a percentage of homes in each town/village/area being used for second homes. Harder to manage perhaps but giving better results in the short and long term. This allows local people to buy their own home and stops housing spreading inexorably into more and more natural areas of the Cairngorms.
