H3: Kindrochit Terrace, Braemar

---

**Q6** What is your comment on this section of the Plan? (Your comment should not exceed 2,000 words)

My concerns regarding the proposed development are as follows.

1. I feel Braemar needs a few (probably not more than 6) affordable housing units, mostly 1 bed flats and some industrial units for local tradesmen. Allowing a developer to cram as many houses on a site to maximise their profit and get a couple of "affordable" units seem to me to be a raw deal for the community. Braemar has a high percentage of second homes already and I question if we need more.
  2. The proposed access to this site is unsuitable due to the very narrow section in front of Rucksacks Bunkhouse. This will cause major problems during any construction phase and be unsafe after development as there will be no room available for separating pedestrians and vehicles.
  3. The stand of trees (mostly Caladonian Pine) in which this proposed development is to be situated has a healthy population of Red Squirrels and Great Spotted Woodpeckers and I am concerned for both their welfare and damage to this important green space in the centre of the village.
