CARRBRIDGE

Page 146 — Settlement Objectives

Item 2 - I accept there is a need for local housing but neither here nor anywhere else in the document is there any mention of how housing stock will be restricted to local people.

Item 3 - No indication on what proposals will be supported therefore relatively meaningless statement

Item 4 – Again no details – what proposals?

Page 146 – Developers obligations

25% is a low number. Current developments give nearer 50%. Why has this been reduced?
The term “affordable” needs defined. What is or is not affordable is highly subjective.

Page 146 – Planning Obligations

Item 2 – What does this mean? What strategic leisure facilities are there and how (and indeed why) are you seeking to increase capacity

Page 147 – Proposals

Carr Road section – on one hand you are defining a site, potentially, growing to 72 houses in an area where the road infrastructure cannot support it and on the other mentioning the need to mitigate increased traffic as a condition of a development. This is somewhat ethereal and needs better definition.

The proposed development section identifies the need for an integrated footpath. You should note that any proposed footpath to (e.g.) the school is on the opposite side of the road from the development and unlikely to be suitable.

Page 150 – Landmark Forest Park.

The area designated T1 is too large to be designated for recreational use. If you carry through with this size of designation there is a real risk that the woodlands in and around Carrbridge will be subject to decimation in favour of an extremely large (e.g) caravan park or other recreation facility.
